Traditionally, the entire Faculty, Staff and Administration of DeSmet High School are asked to choose 12 outstanding members of the graduating class for the Yearbook's Annual "Men of the Year" Award.

These are the men who have displayed qualities of leadership, involvement and responsible example during their four years at DeSmet. These are the men who exemplify what DeSmet stands for, and of whom we are duly proud.

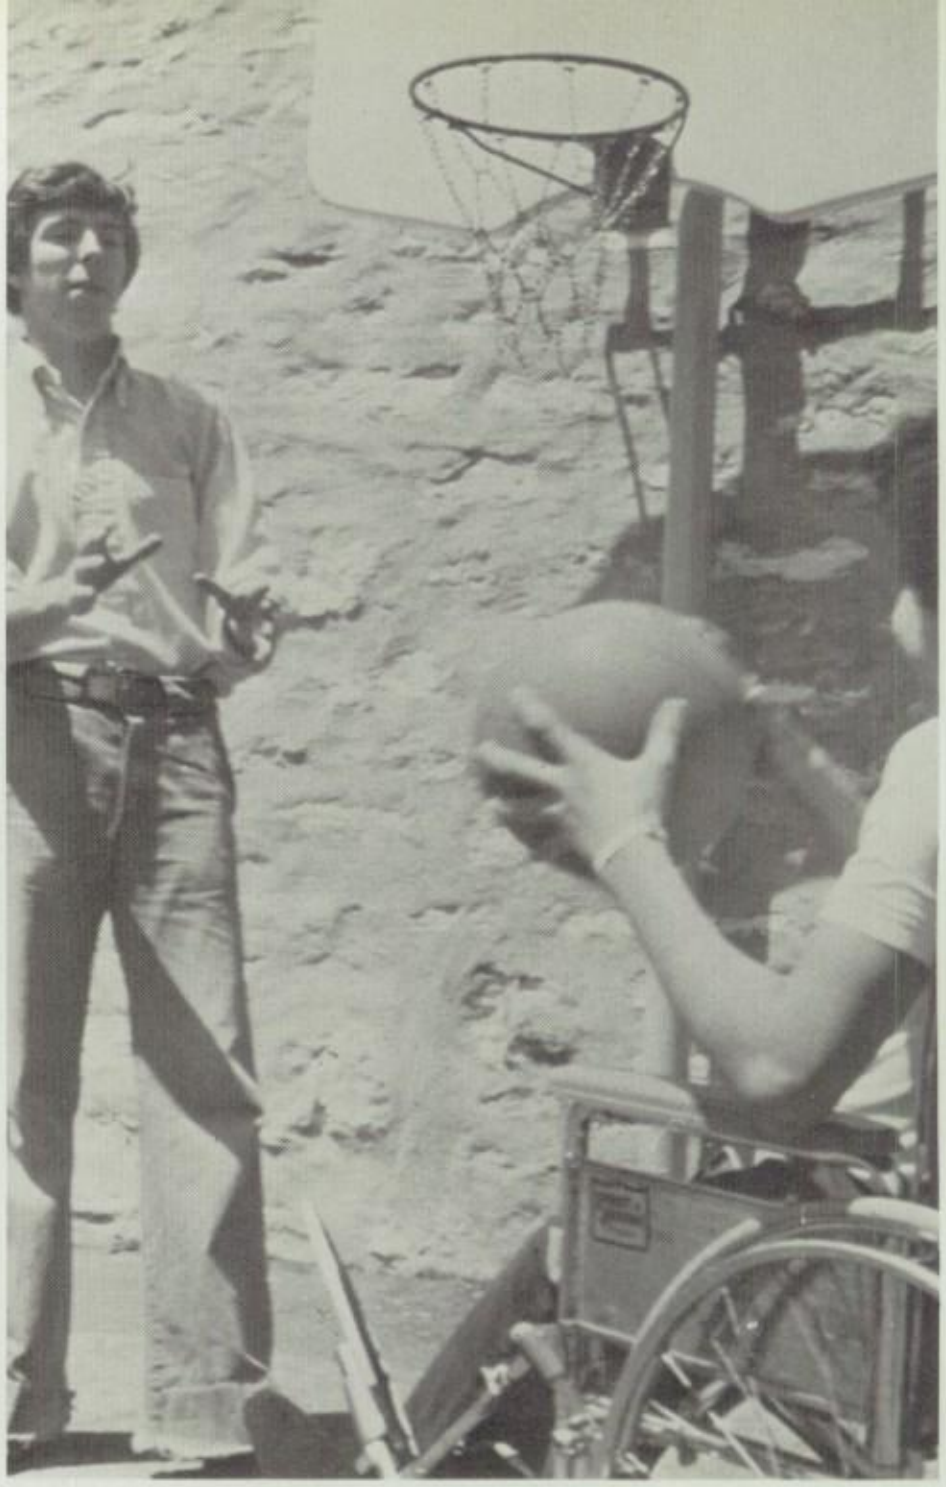
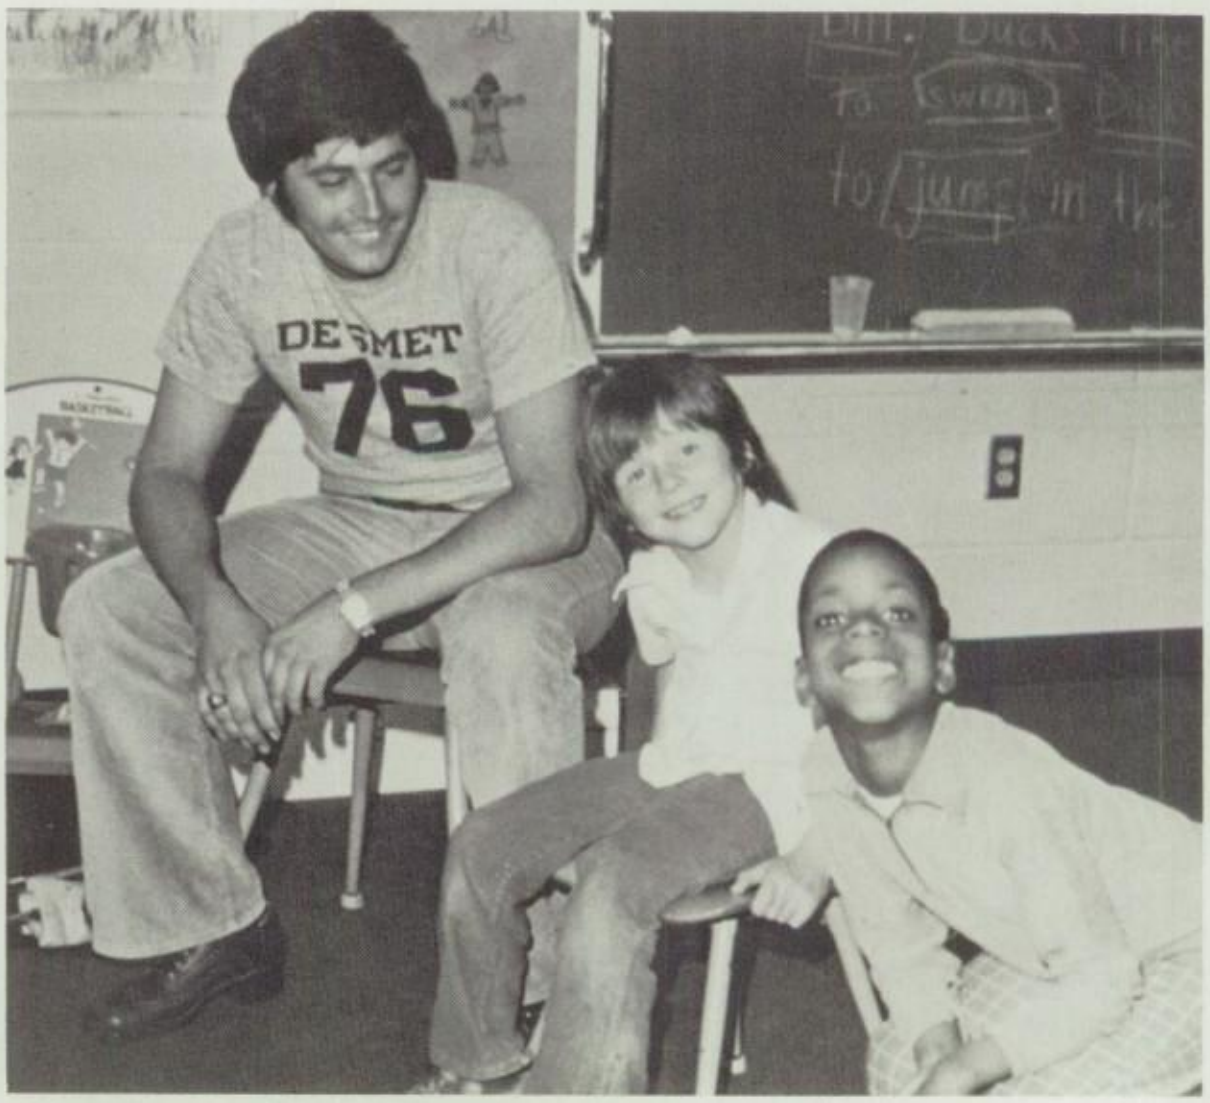
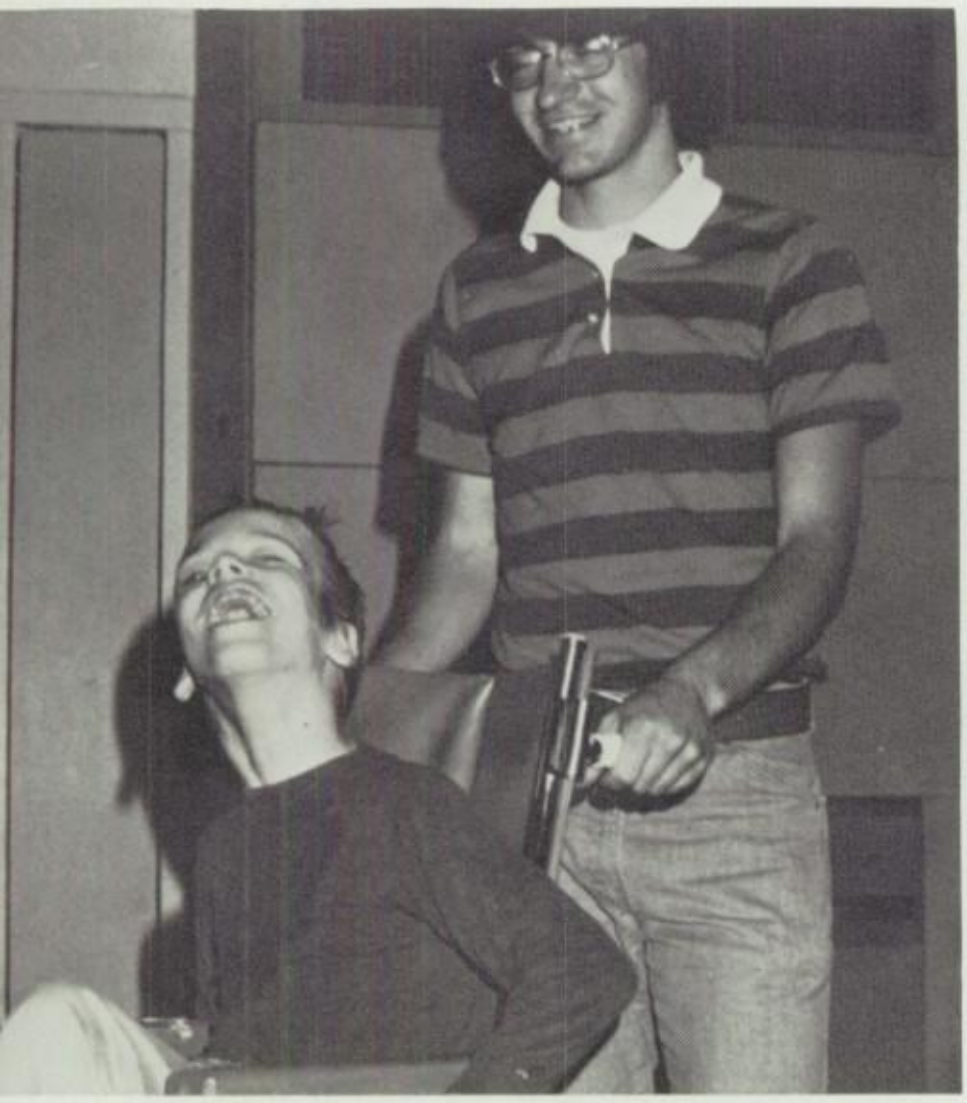
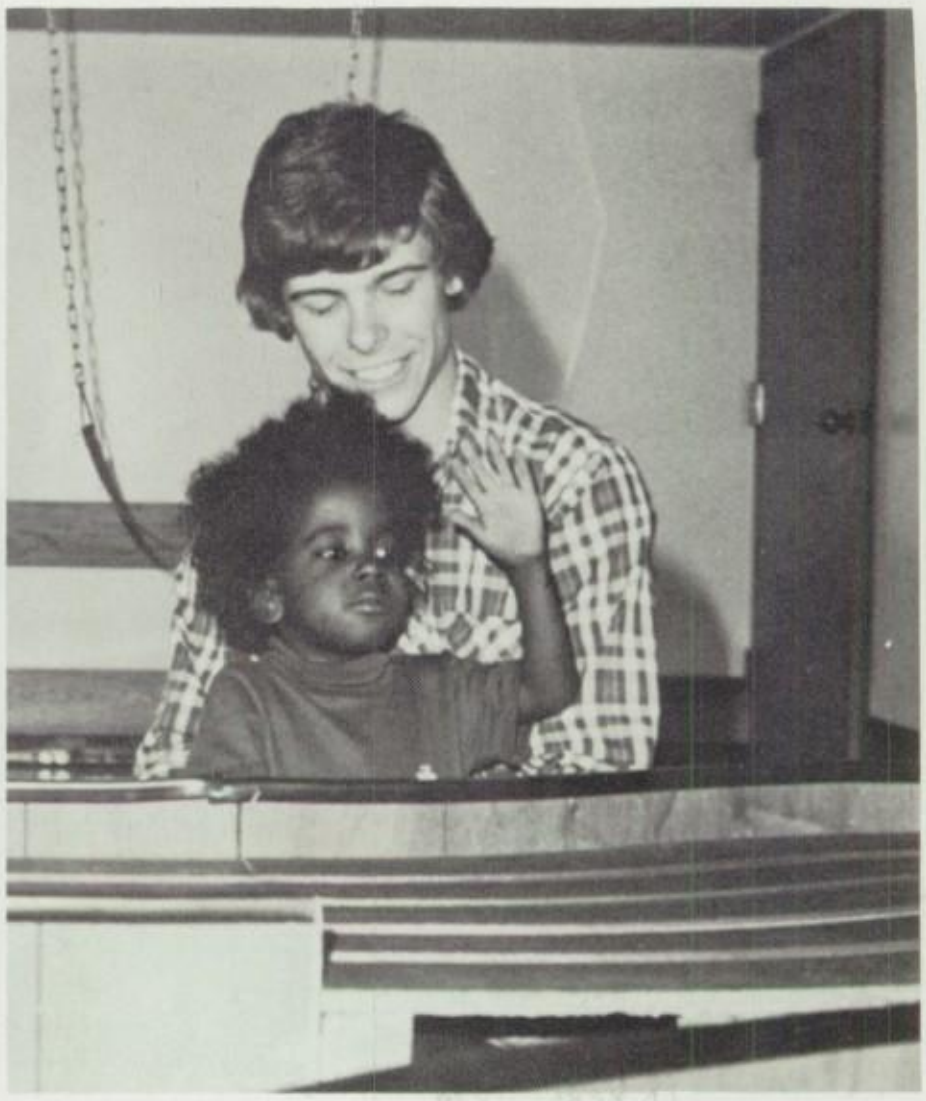
Senior Projects

Each year, our seniors embark towards the end of the second semester on their Senior Projects. Each student picks from a wide range of community service oriented projects and sets out from the halls of DeSmet to broaden his Christian horizons. Some of the services included were the Alcohol Drug Abuse Program, the American Red Cross, Camp Daniel Boone, Senator Eagleton's U.S. Senate Office, the Good Shepard School, the Easter Seal Society, Head Start, the Division of Welfare of Adult Service, a Drama Project, the Association for Retarded Children and many, many more.



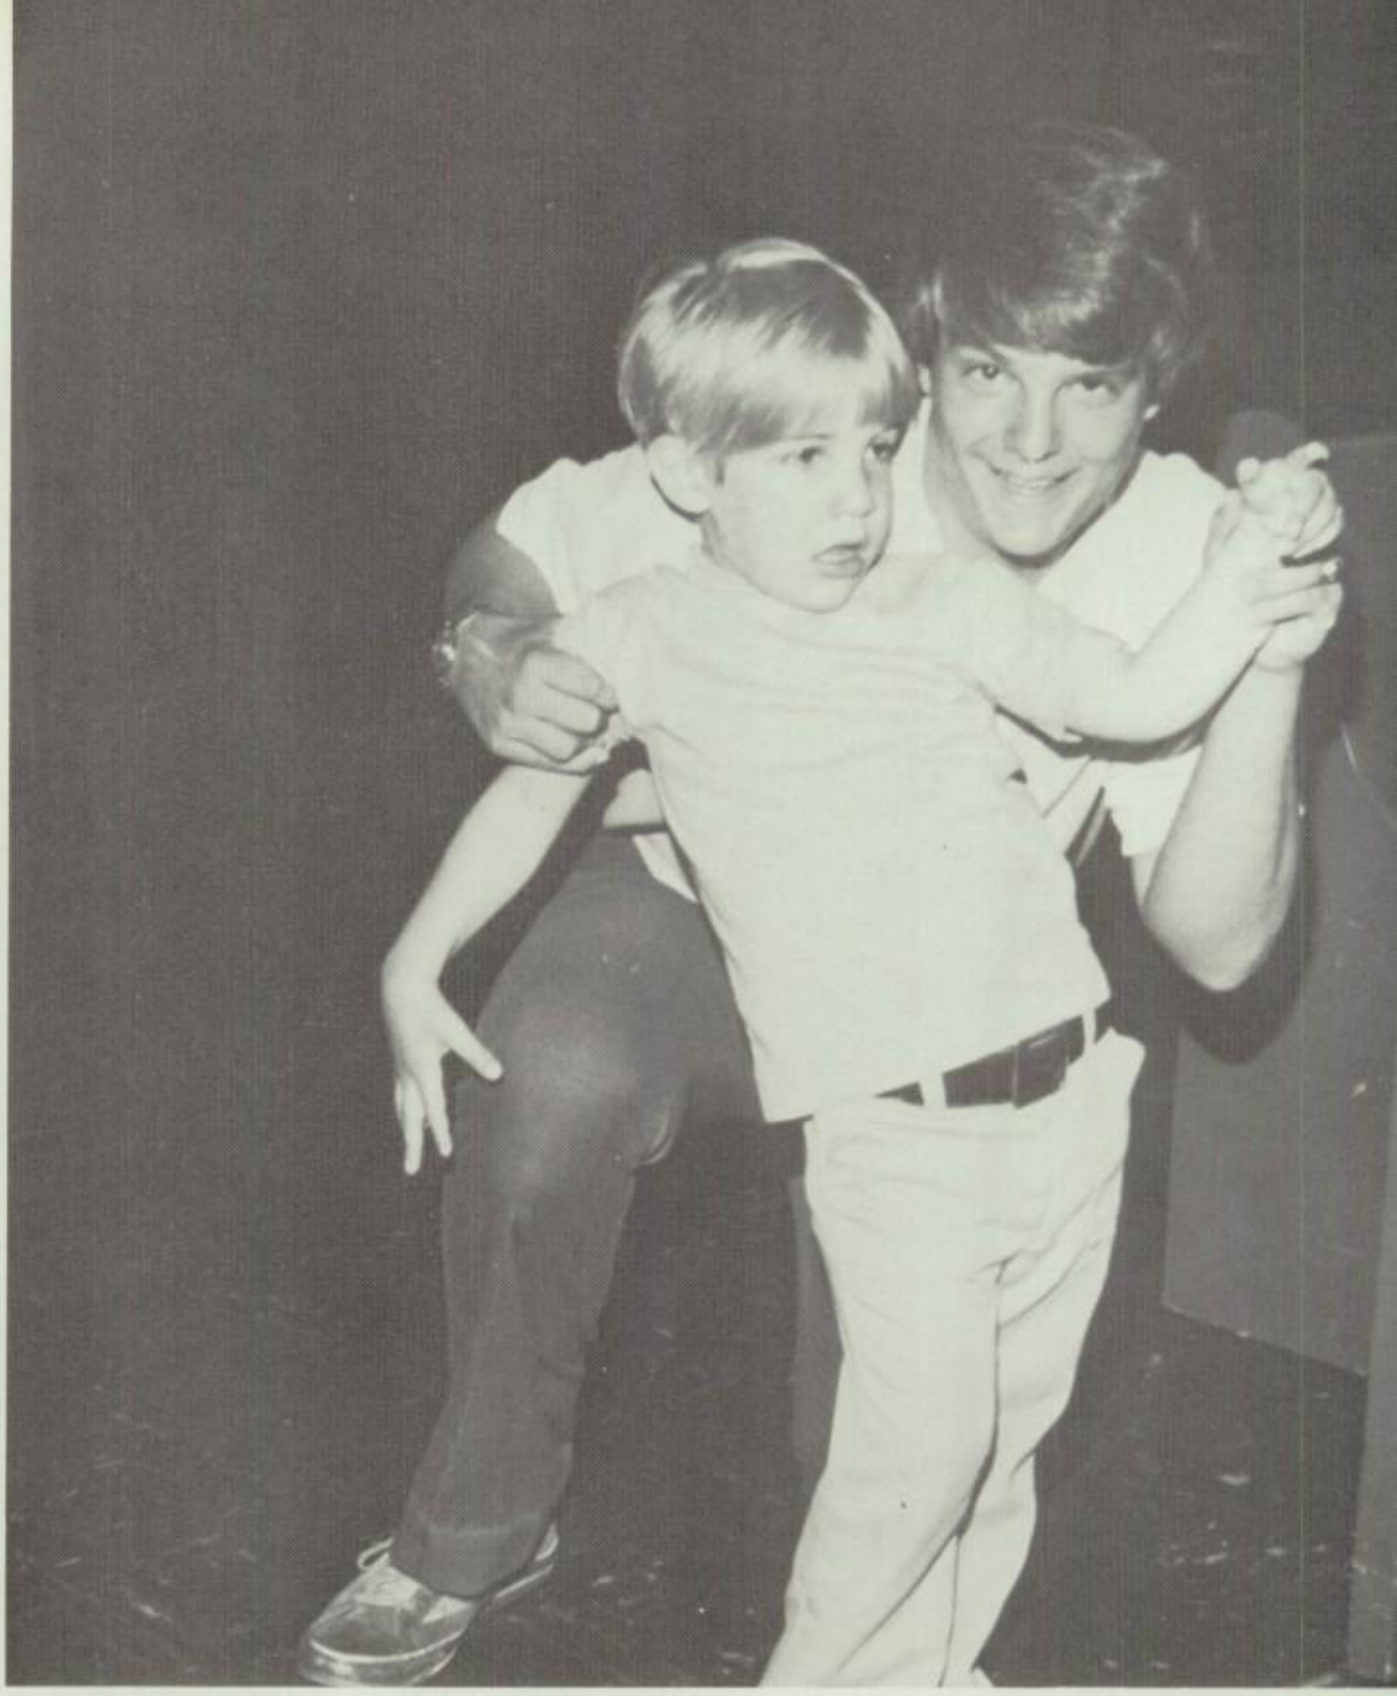






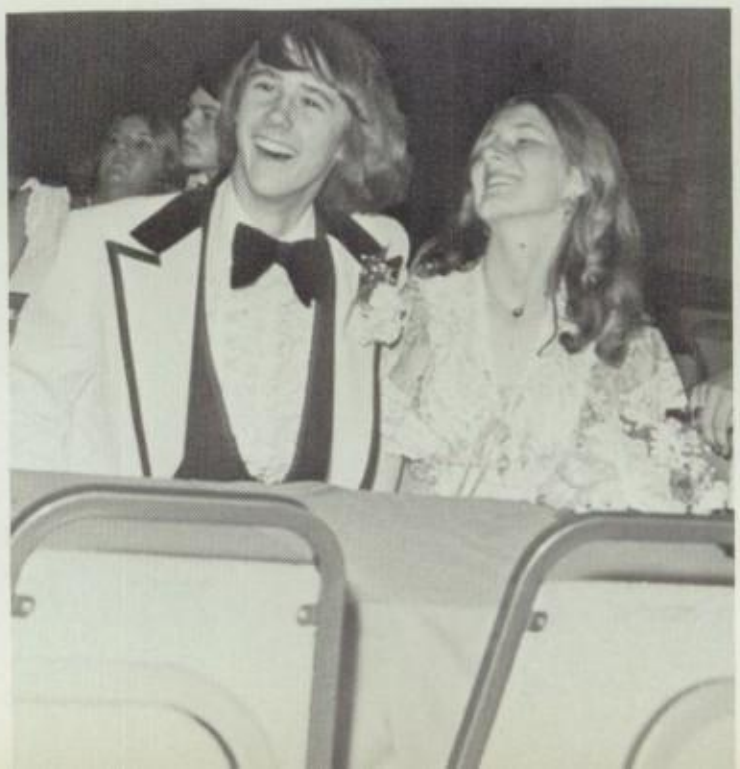
MNOP

Senior Projects

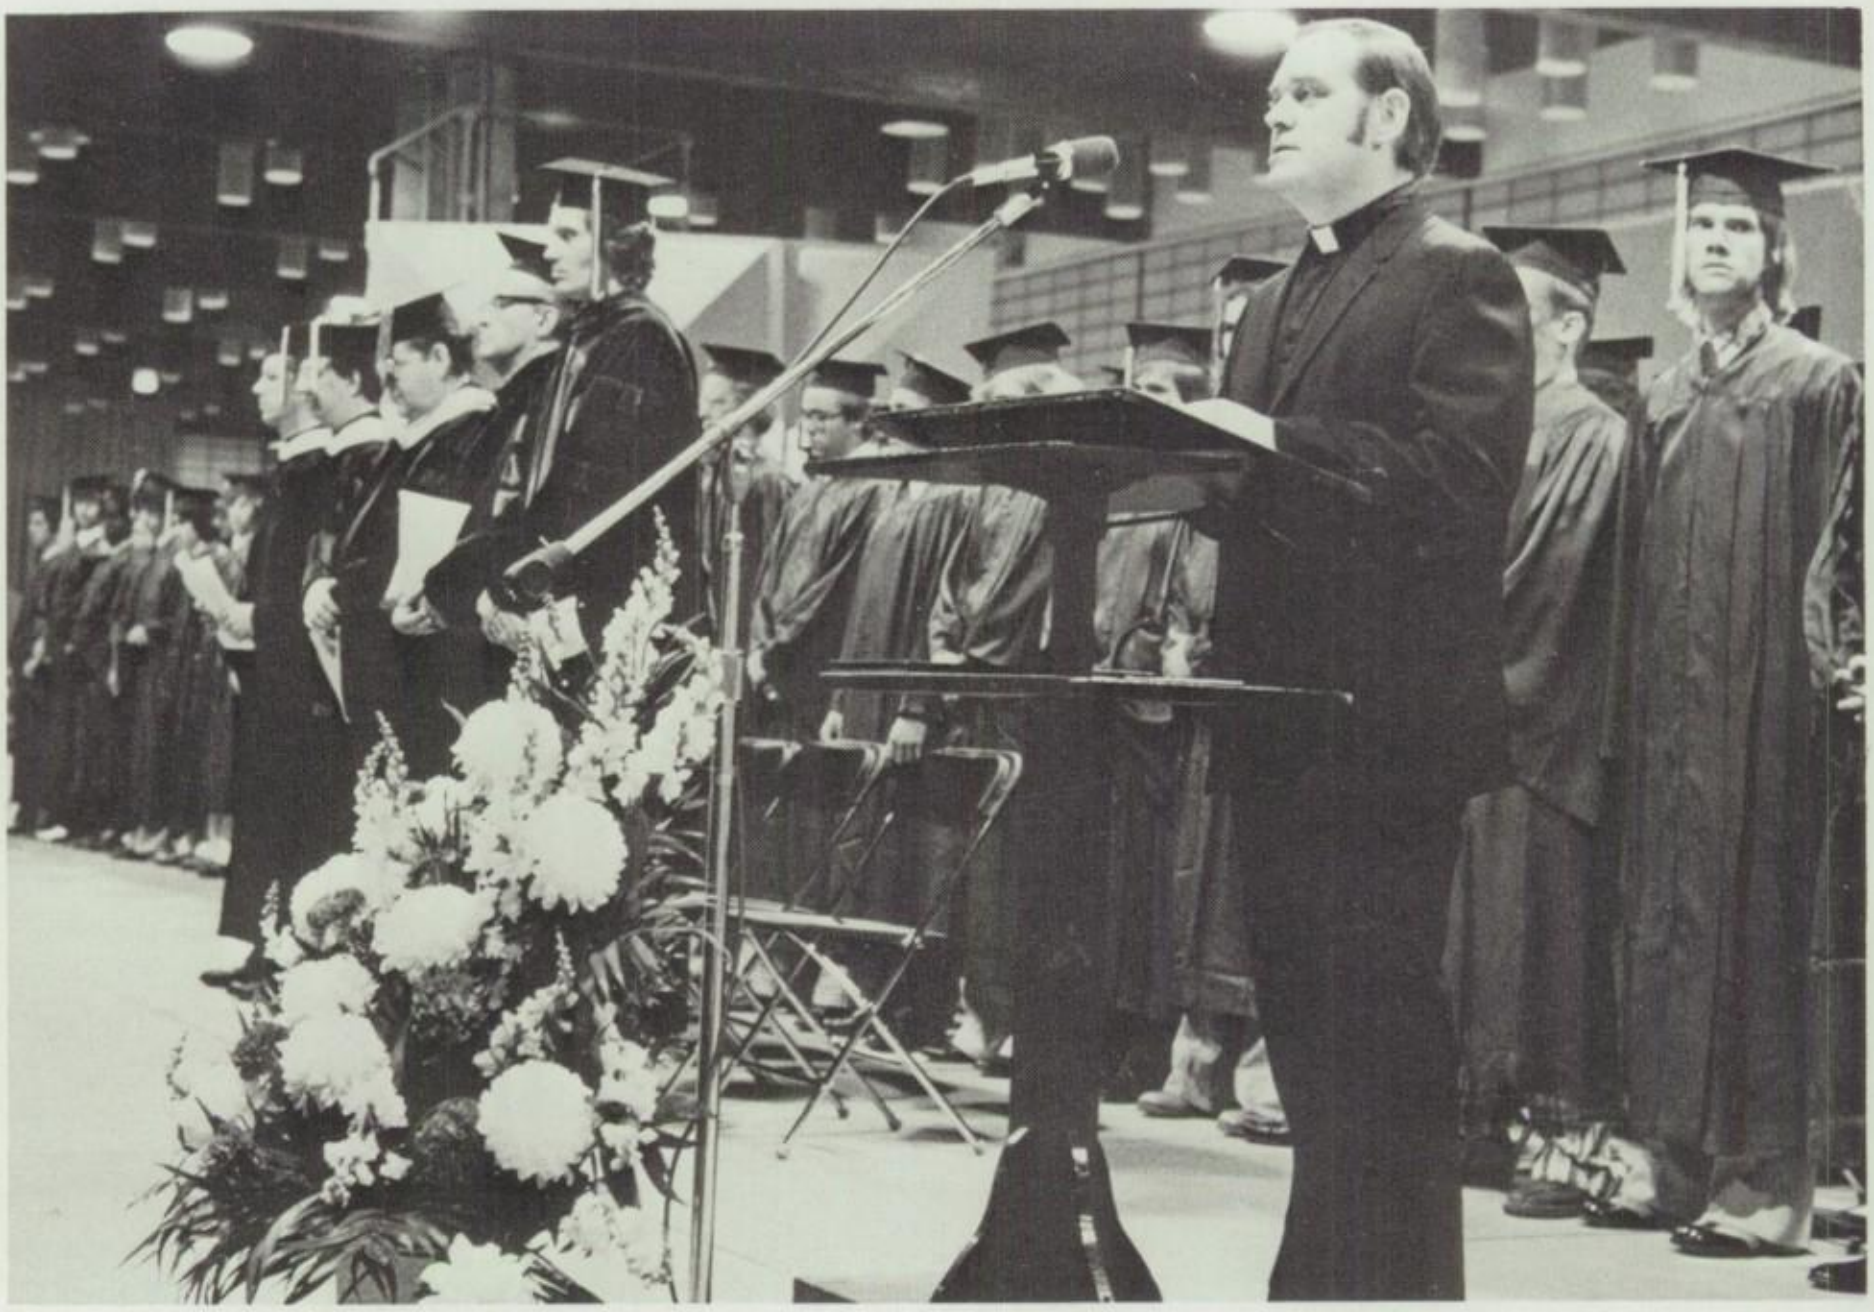


Junior Senior Prom

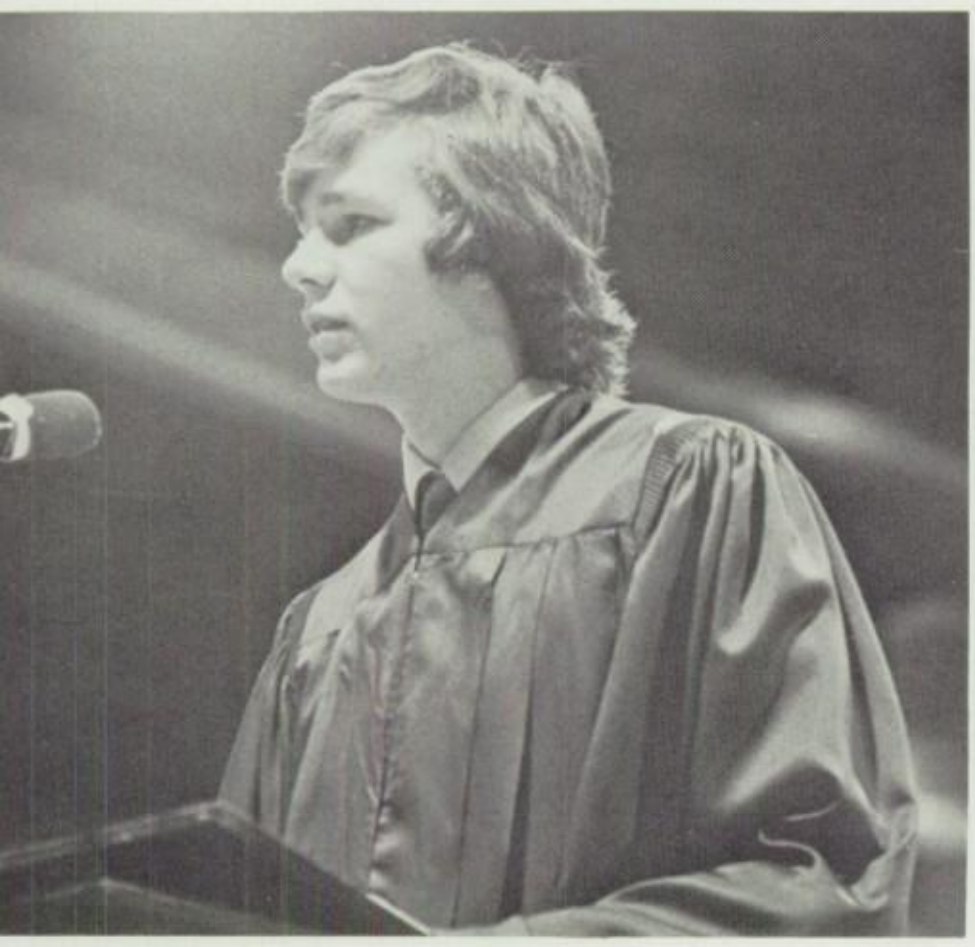
One of the biggest Friday nights of the year happened at the Rodeway Inn as the Class of '77 hosted a prom for the departing seniors. While anxiously anticipating their upcoming graduation the handsome Spartans and their lovely dates gyrated and slowed to the sounds of 'March Hare."

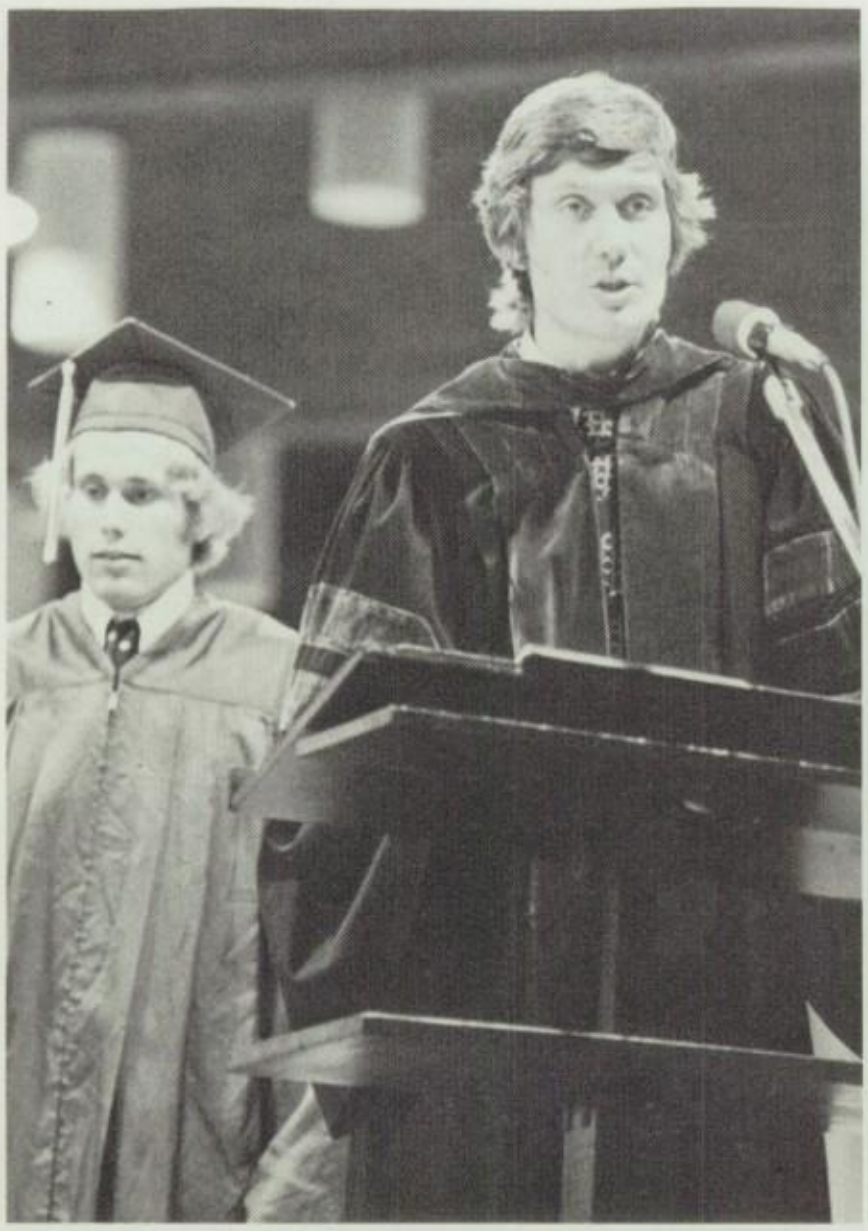


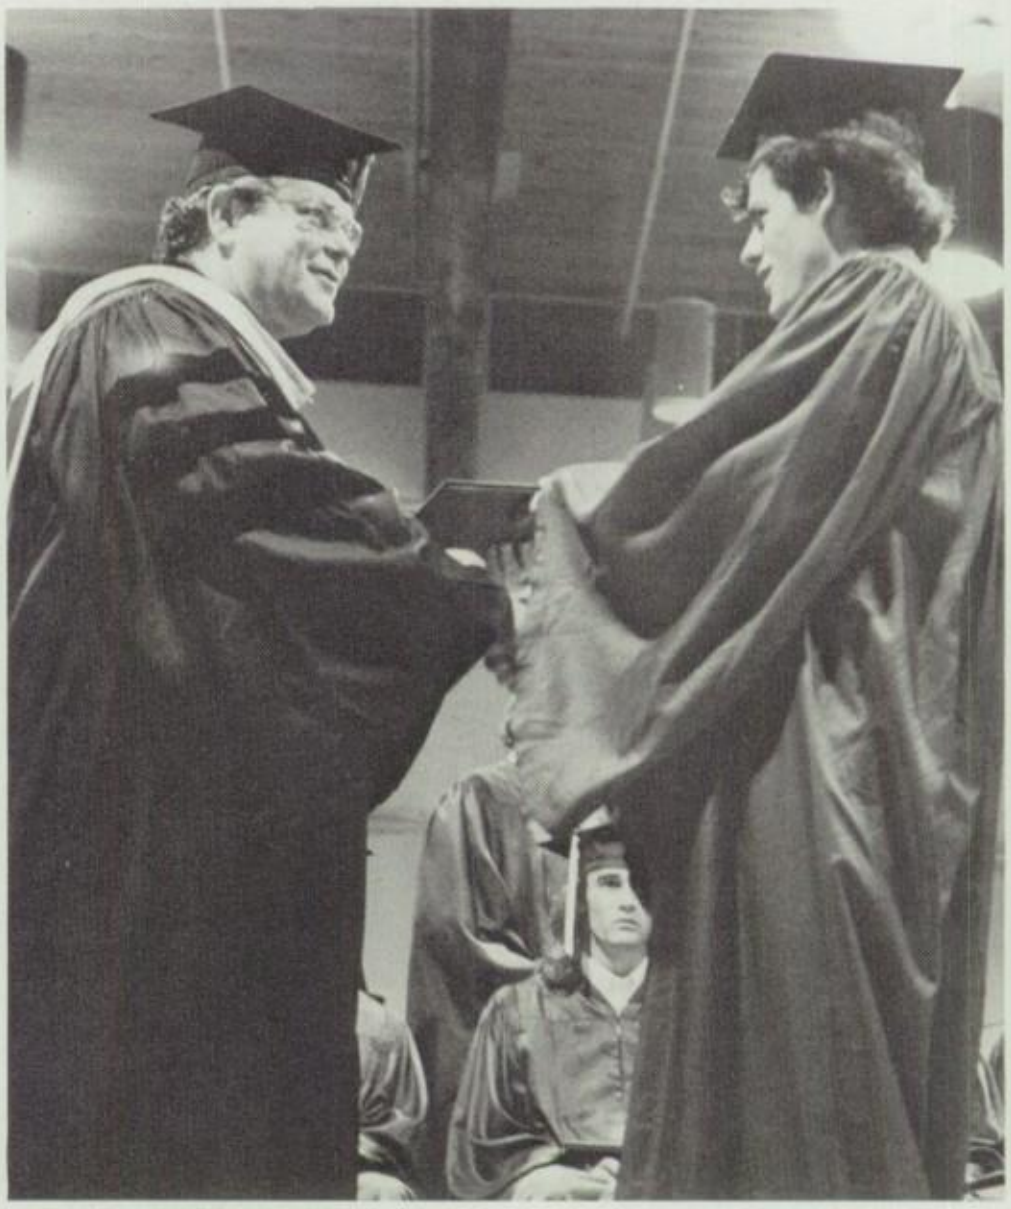
Graduation

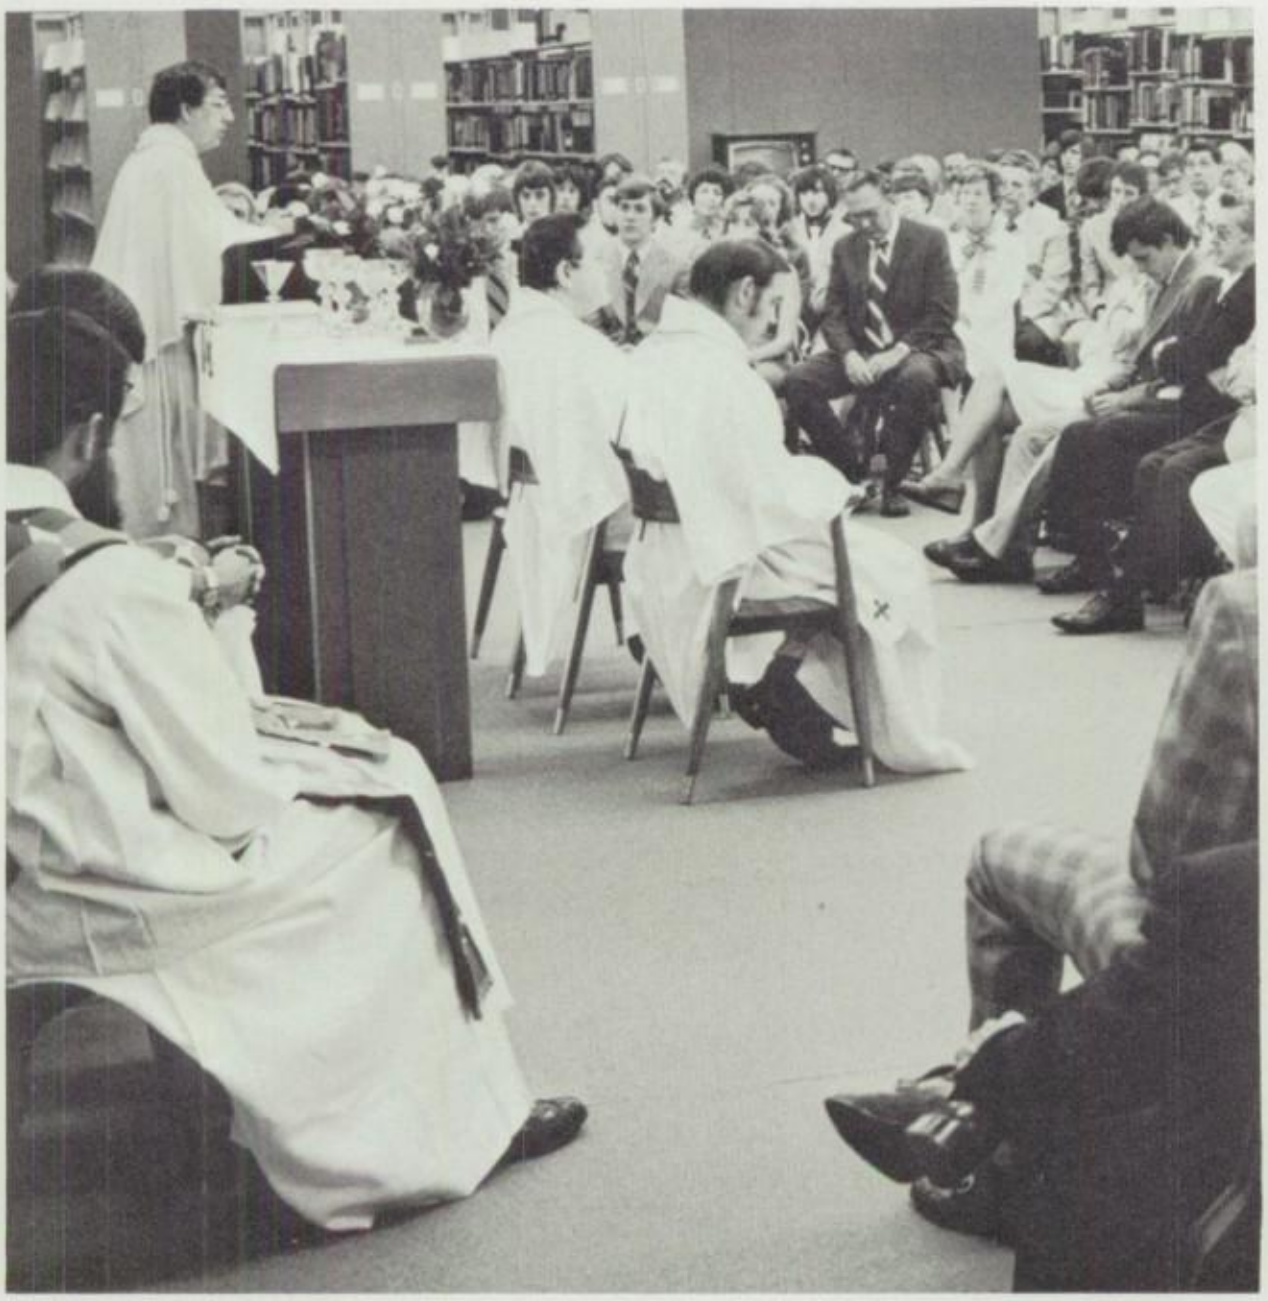


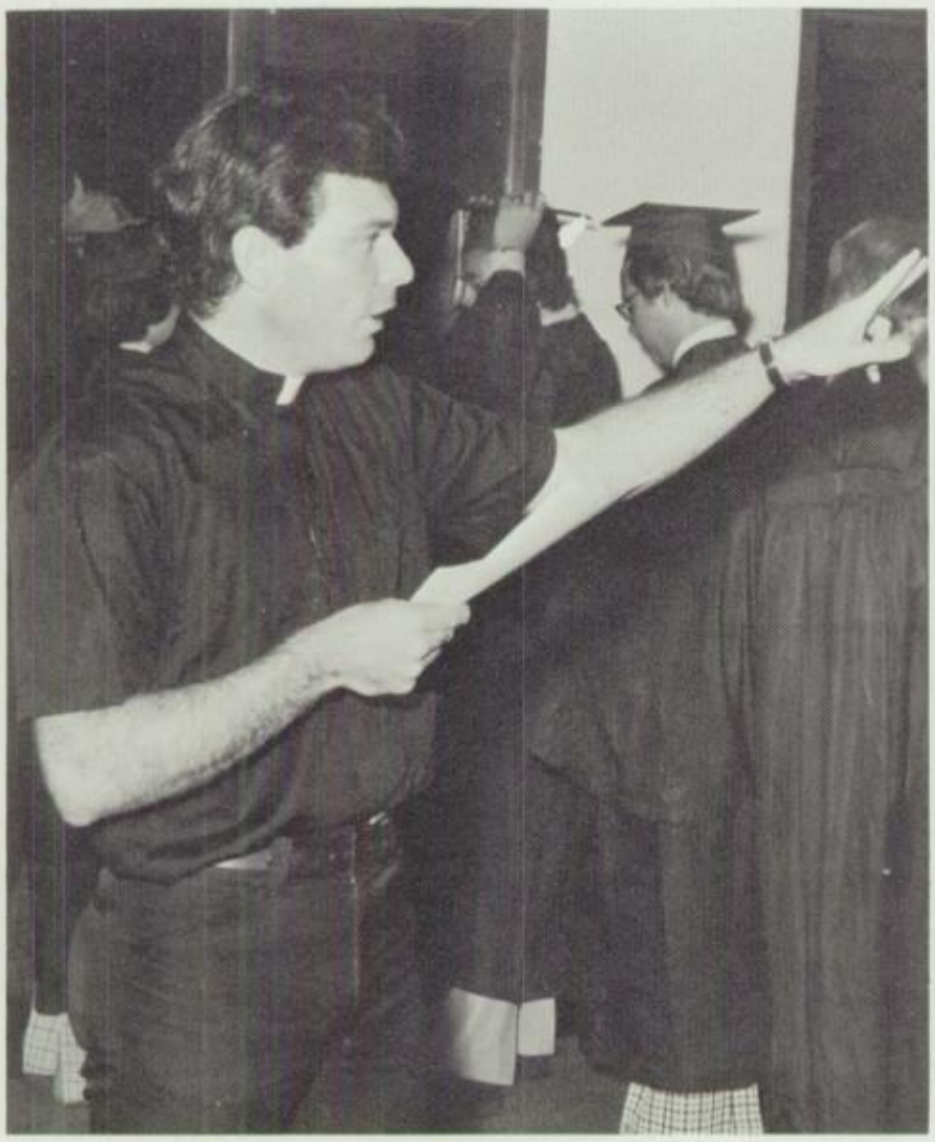
In ceremonies at Queeny Park the Class of '76 bade farewell to DeSmet. Senior Nick Lamb gave a talk in which he spoke of good and bad times at school—all the learning process which is DeSmet. Fr. Drinan, S.J., Representative from the state of Massachusetts, and Fr. Arnold reminded the seniors of their responsibility to put the Christian principles learned at DeSmet to active use in the real world. Matt Bauer received the President's Medal from Fr. McQueeny.



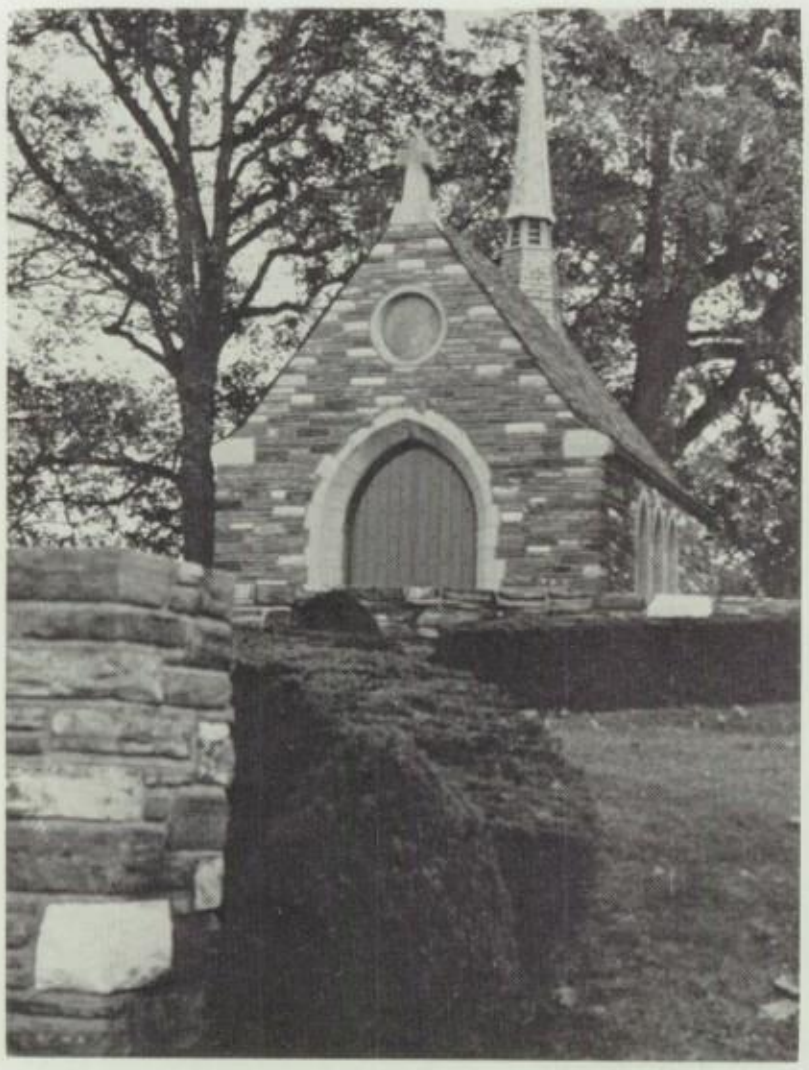








NO SMOKING



DeSmet Pastoral Office

Class Masses

DeSmet's class masses were held on a regular basis this year. Freshmen, seniors, sophomores and juniors were able to attend weekly mass offered by varied priests of our Jesuit community. These masses have come to be an integral part of our curriculum, enhancing our spiritual lives and providing us the opportunity to worship God with our friends and classmates.

Fr. Maher, his mass setup crew and various class members worked diligently at providing their respective classes with relevant services. It was a job well done.

Senior Retreats

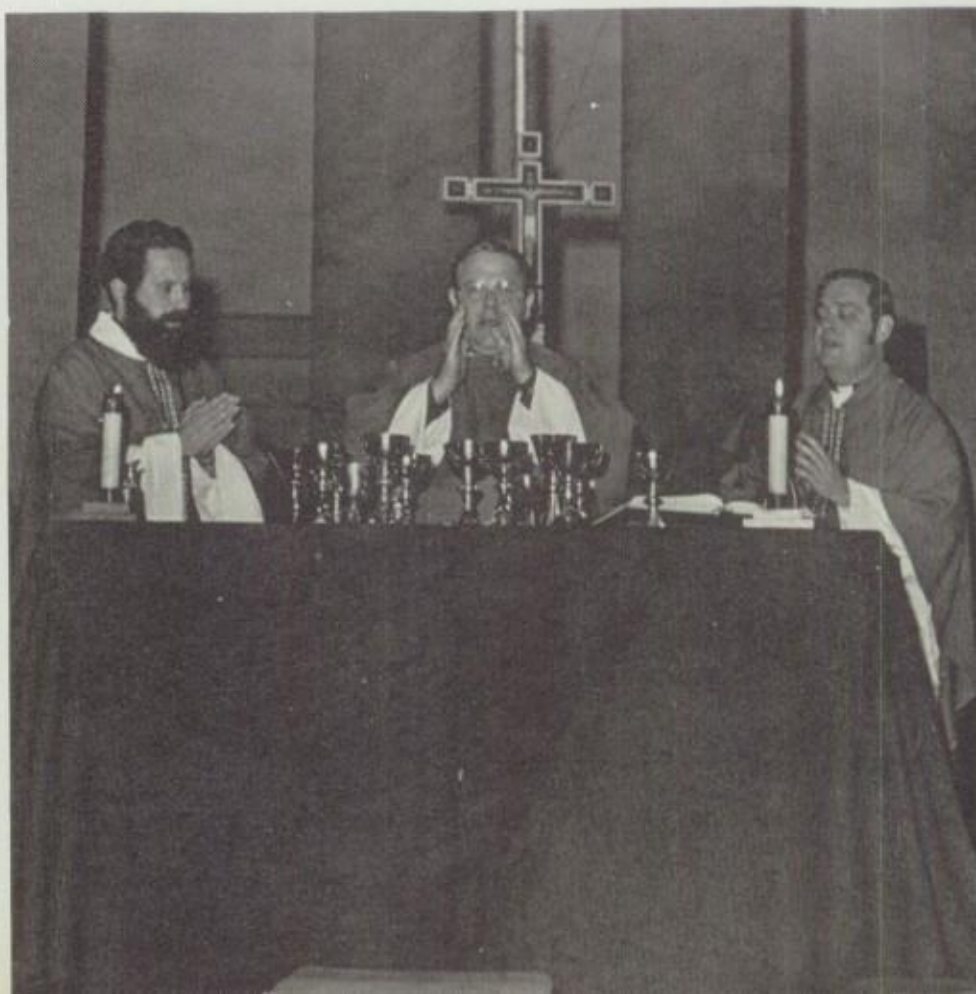
The retreat program at DeSmet has become an integral part of the Pastoral program. They are voluntary and well attended retreats.

The retreats are given several times throughout the school year by both lay and Jesuit faculty members. They are held at Fordyce House on the Mississippi River, providing a serene setting for quiet reflection and prayer.

Mass of the Holy Spirit

Several hundred members of the DeSmet community gathered in the gym for the third annual Holy Spirit Mass. The torches, crosses, unique lighting and ornate gold vestments highlighted the mystic Mass.

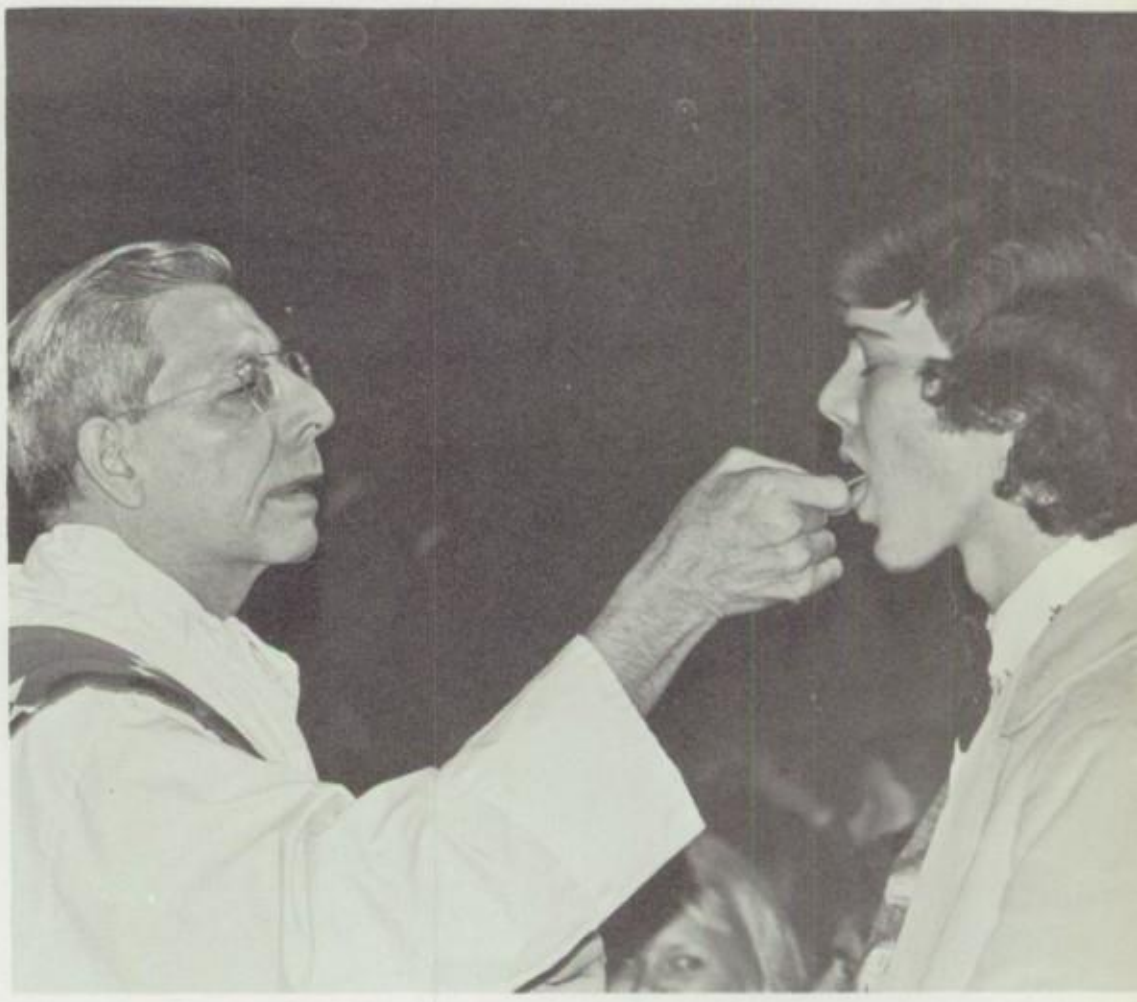
Sponsored by the Pastoral Office, this Mass is the traditional beginning of DeSmet's spiritual year. Fr. Maher and his staff devoted great effort to ensure the Mass's success. Those who were in attendance will remember this Mass for years to come.



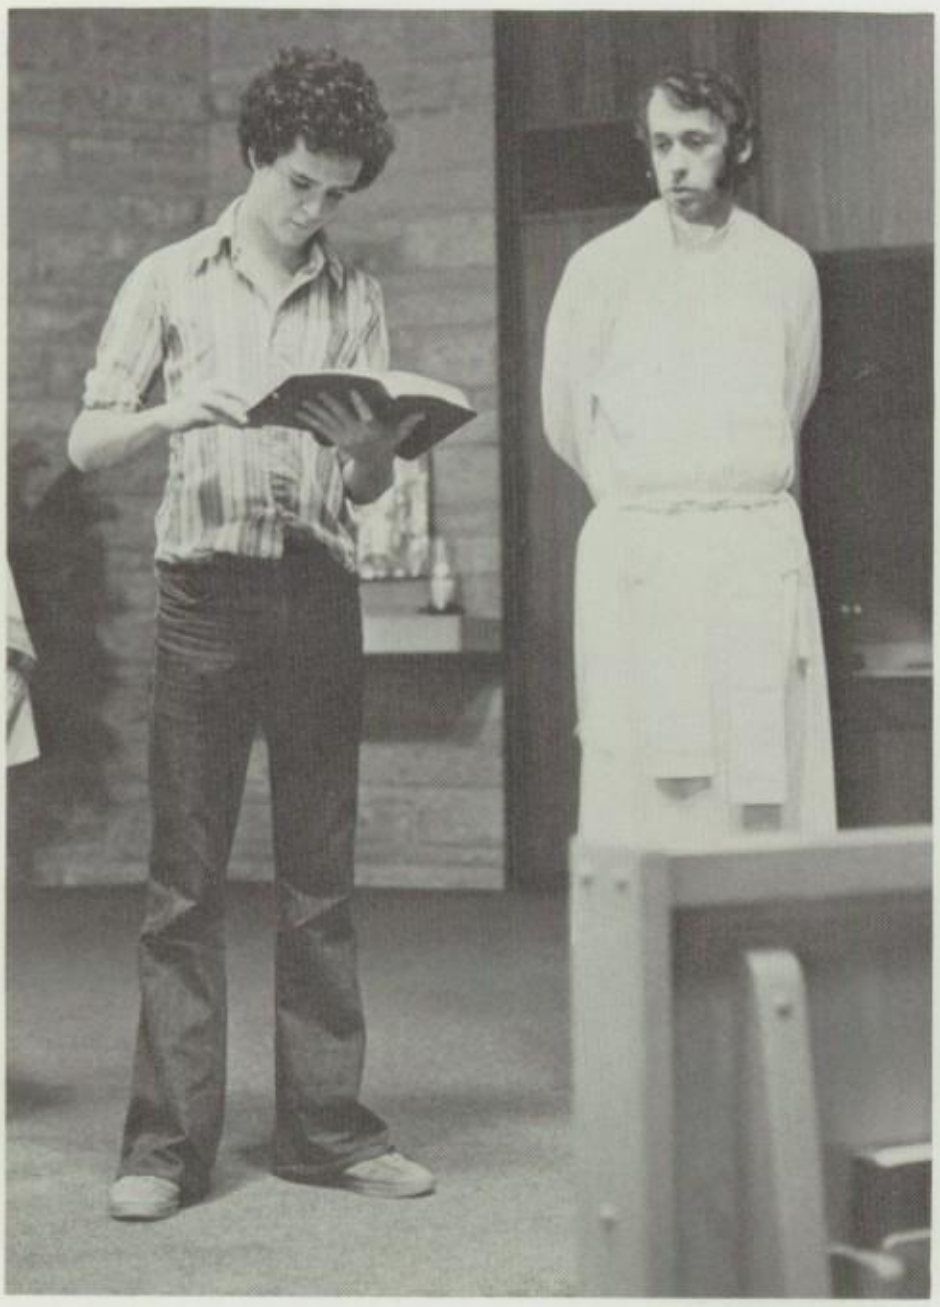
Christmas Mass

DeSmet's Annual Christmas Mass was held this year at midnight Christmas Eve. Mr. Michael Garanzini S.J., and his crew of Tom Killeen, Rich Rechtien, Dan Barrett and Bob Nuelle organized 25 other DeSmet students to form a choir, a group of musicians and exquisite decorations to present a Mass for the DeSmet students, faculty, parents and alumni.

This Mass is an awe inspiring event which is the spirit of Christmas for so many of us.



Junior Retreats



Junior Ring Mass

On May 13, the DeSmet community witnessed the juniors receiving their class rings at the traditional Mass whose theme this year was Respect, Leadership, and Love. In the homily, delivered by celibrant Fr. McQueeny, S.J., the class of '77 was reminded of their commitment as next year's leaders of the student body.

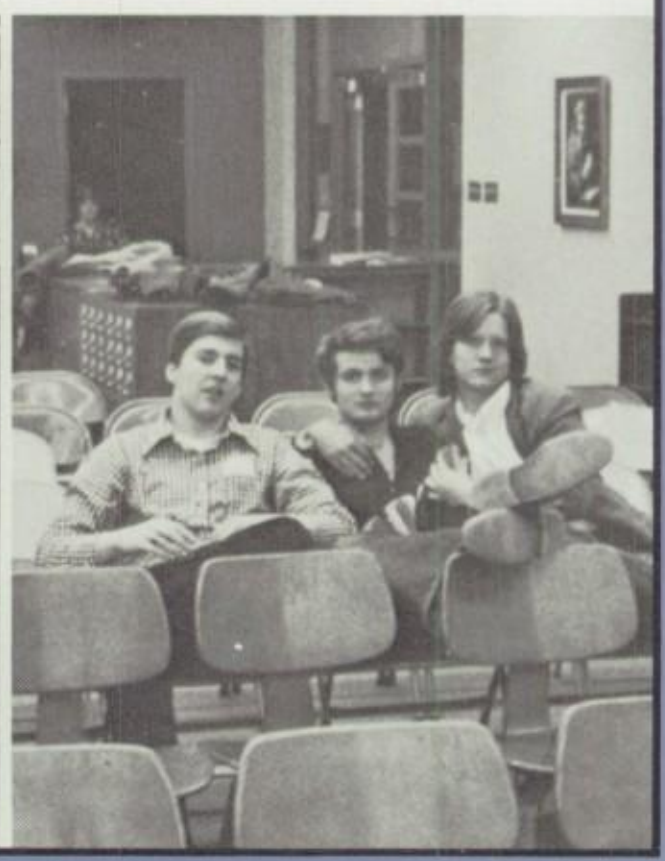
Players



Born Yesterday

The Dionysian Players successfully opened their season with "Born Yesterday," a comedy by Garson Kanin. The play focused its attention on the beautiful humanity and sincerity of its two main characters, Billie Dawn and Harry Brock, and on government corruption. Mr. Faust, in yet another superb job of directing, brought the cast of 15 together to perform one of our most hilarious plays ever.

Of Mice and Men

The Dionysian Players presented one of their most successful winter productions by bringing John Steinbeck's chilling drama, "Of Mice and Men" to the DeSmet stage. Members of the small, close-knit cast combined to put extraordinary effort into this production, the 55th directed by John Faust on a high school stage. The simplicity of the set enhanced the acting techniques of the actors and helped to maintain an intimate relationship between the actors and the DeSmet audience. The show was well received by the DeSmet community and was a financial success. Once again the Dionysian Players deserve congratulations on yet another superb production.

Godspell

GODSPELL is presented by the De Smet Dionysian Players as a jubilant celebration of the Gospel as told by St. Matthew. It is meant to be both a religious and a theatrical experience joyously felt. It is rooted in the belief that the Passion of Jesus Christ is to teach love and joy in the hearts of all men. In staging the well-known stories and sayings of the Gospel many theatrical devices are called upon, including pantomime, charades, vaudeville, and songs and dances of many styles--folk, ballad, rock, musical comedy and dramatic. The cast assumes the guise of clowns in improvised costumes to enhance their performances. A conscious attempt has been made by all the performers to celebrate the Good News with their audience in simple, energetic exuberance.

GODSPELL

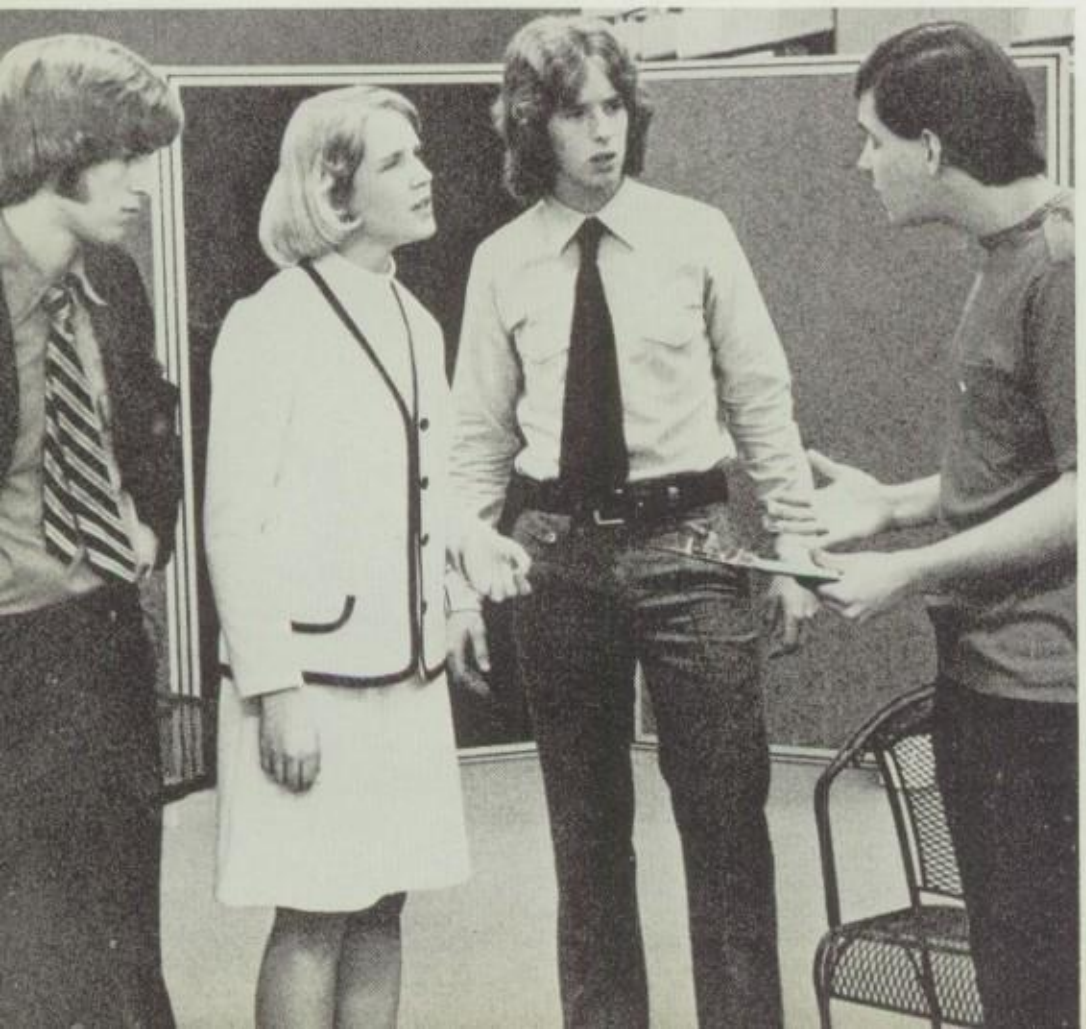
All My Sons

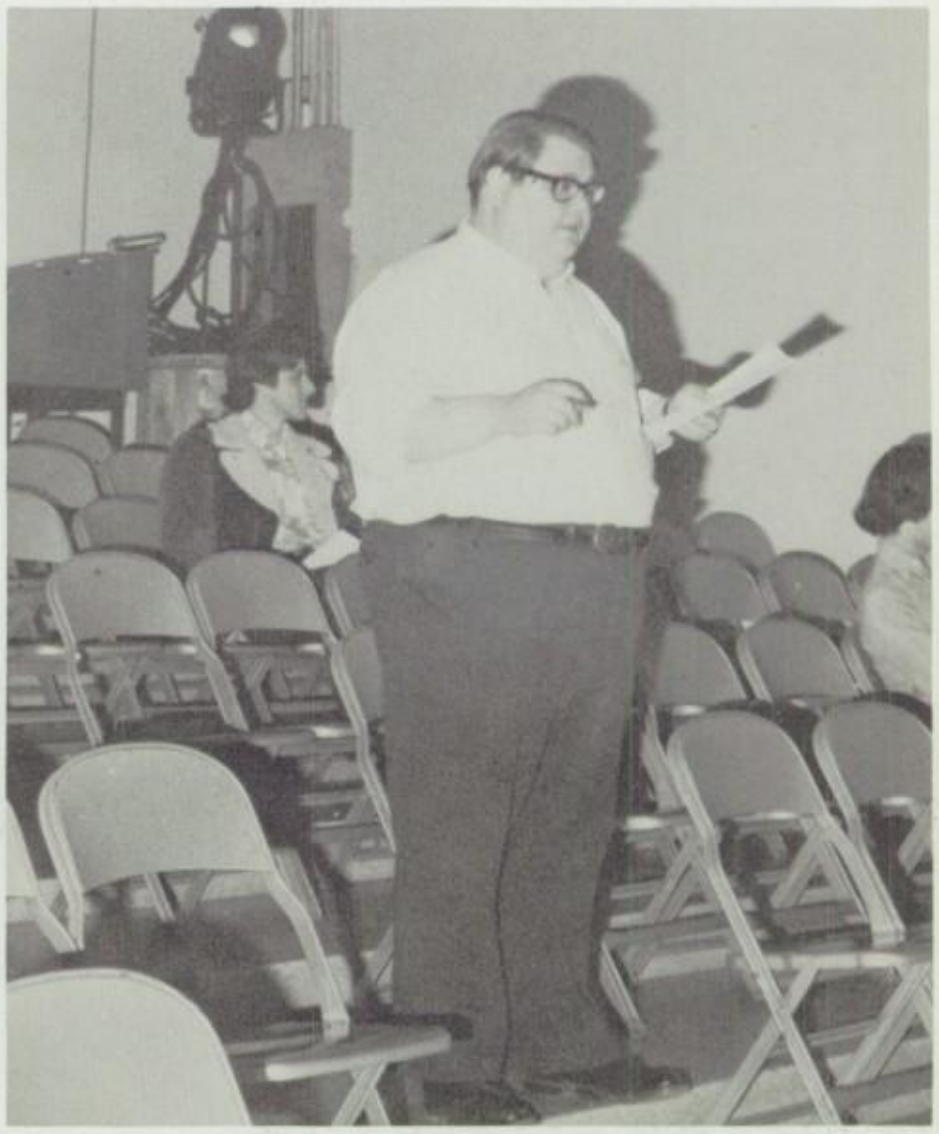
For the past three years, a senior drama student has directed and produced a show by himself. Mr. Faust, by allowing this, has given students a chance to see what it is really like to undertake such a task without guidance from a teacher.

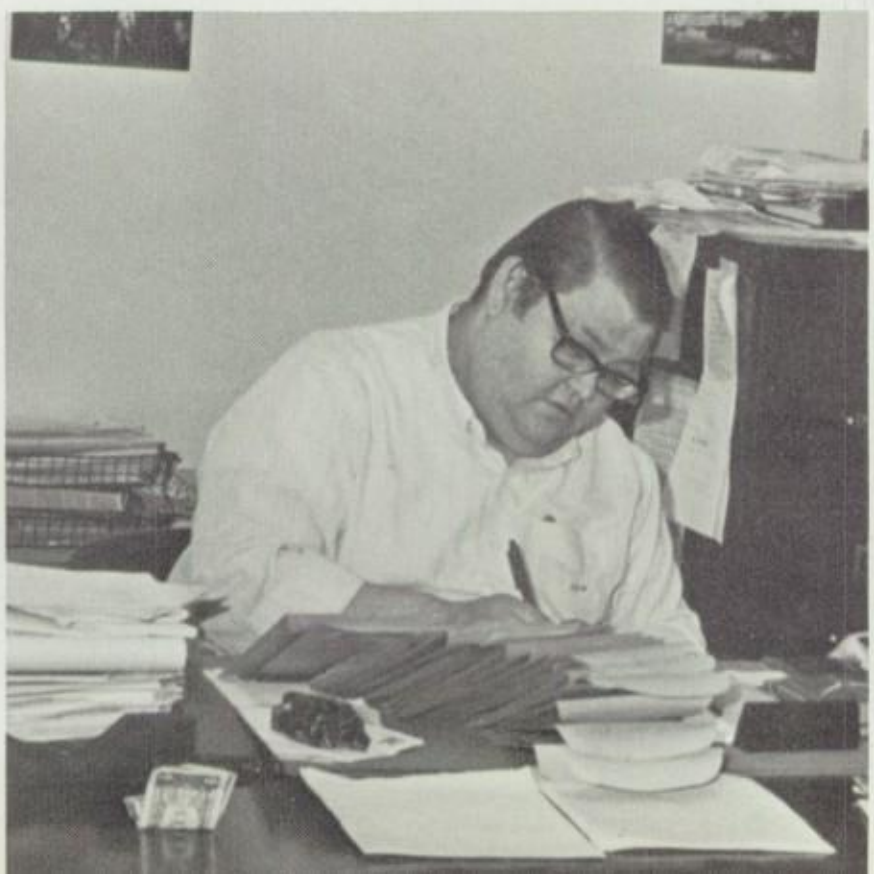
This year, "All My Sons," a moving piece of Modern American Drama by Arthur Miller and directed by Matt Bauer, was presented in the library. About 200 people came to the two night showing and witnessed perhaps the most realistic show ever produced at DeSmet. To say the least, it was a great success, both dramatically and financially.

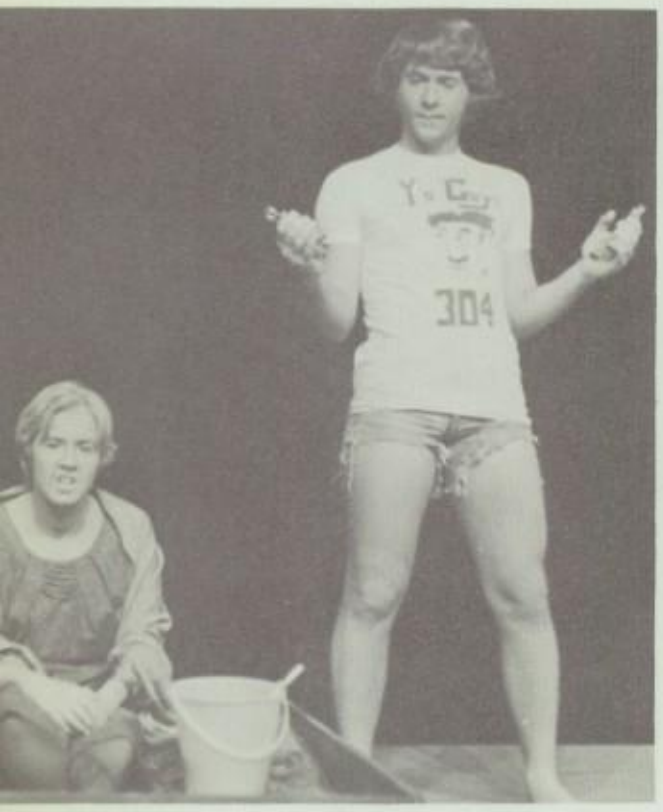


J.J. Faust, Jr.

John J. Faust, Jr. has been an integral part of the DeSmet community for the last six years. His dynamic personality has been the impetus behind many improvements in our school and has provided avenues of communication between the administration and the students, emphasizing the spirit and unity so necessary for the success of Jesuit education. Mr. Faust, with his vast theatrical experience, has organized an extraordinary drama program. For his unselfish efforts in Drama, Carnival, Mission Week and Senior Projects, the Yearbook salutes J.J. Faust.

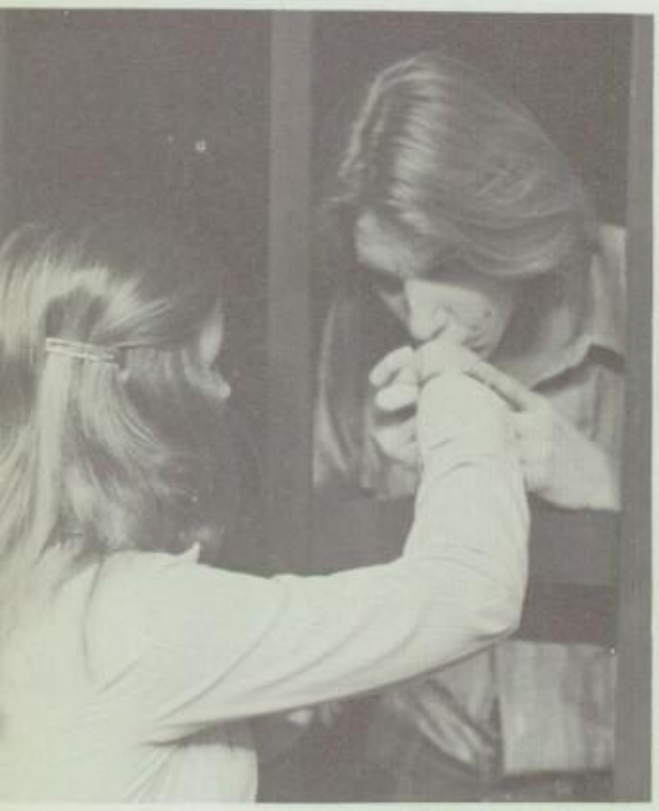


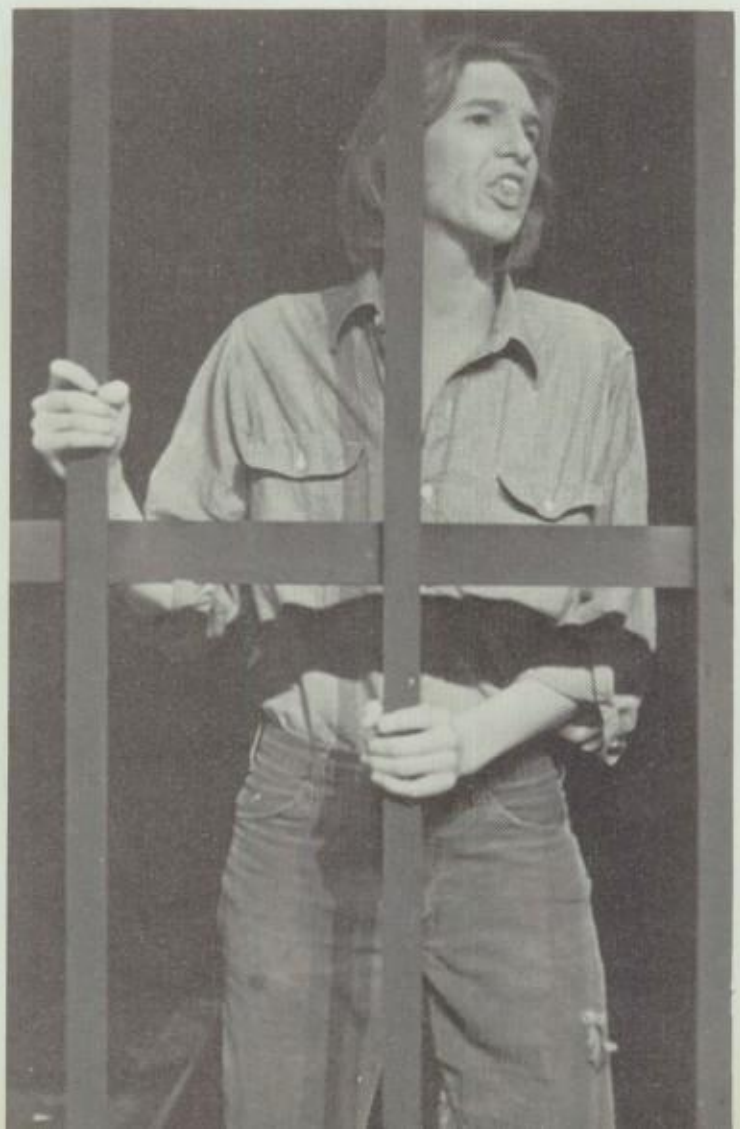


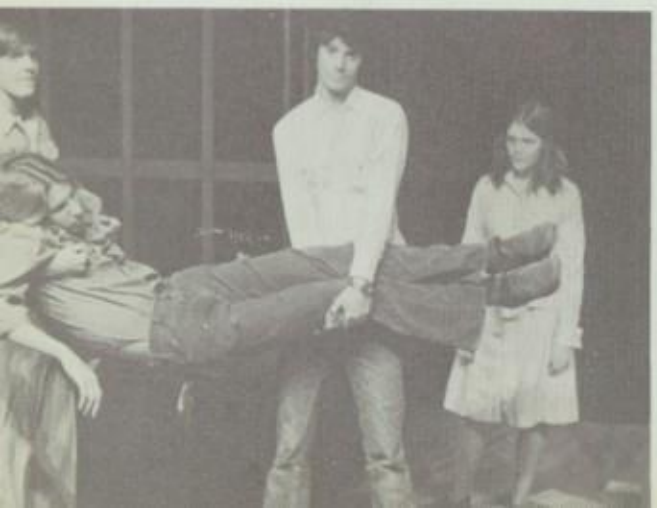


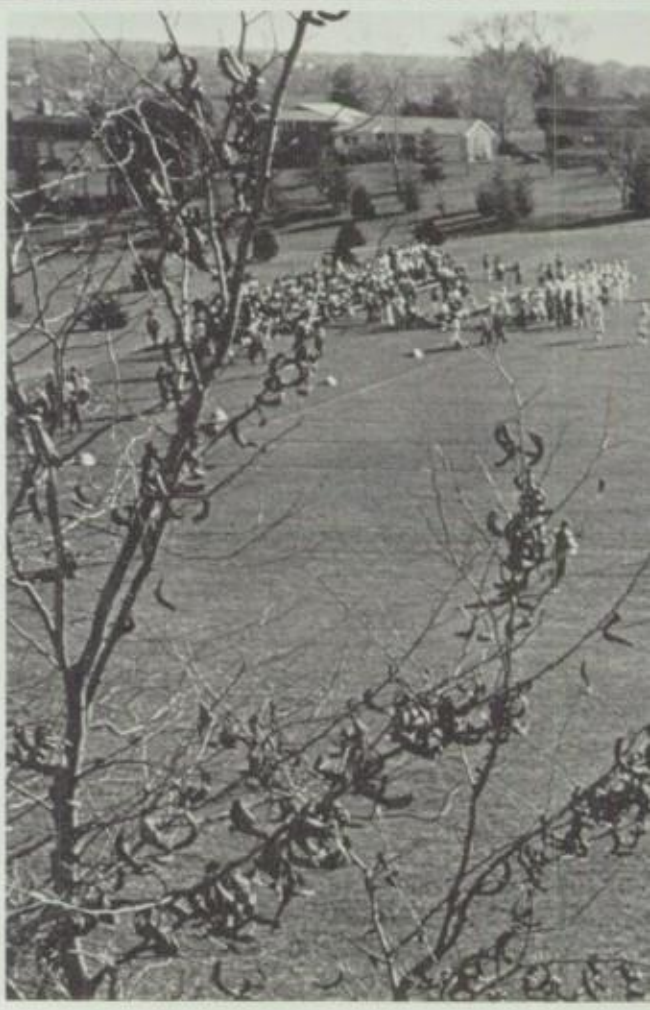
Four in One's

For the fifth consecutive year the DeSmet Dionysian Players have presented to seniors the opportunity to direct one act plays. Four seniors, Mickey George, Perex Maxwell, Rich Ripplinger, and Gerard Erker, gave DeSmet audiences four of the finest shows in our history. The One Acts provided roles for 40 students and introduced new talent to the drama program.









SPORTS

Varsity Football

The 1975-76 Varsity Football season proved to be the most spectacular and action filled season in the history of DeSmet High School. The combined talents and skills of Coach Bob Christian and Coach Dennis Cerneka shone throughout the Metro Area and the state of Missouri as their rough and ready team fought its way to the State play-offs in Joplin.

The football Spartans faced a difficult roster of teams, yet fared extremely well with a final tally of 9 and 3.

The Spartans' defeat of S.L.U.H. afforded our team its first outright Bi-State Championship. We had settled for two championships with S.L.U.H. in the early '70's. This year it is ours alone.

Our team met the Althoff Crusaders in a great Bi-State game at Busch Stadium. Do you remember Ken Klein's great fourth quarter run?

Coach of the Year

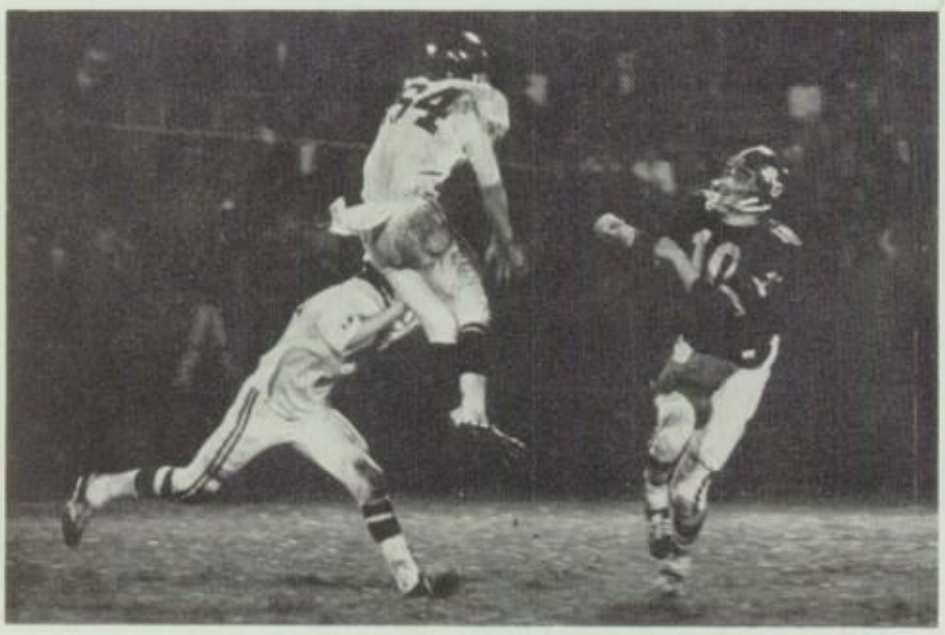
Mr. Christian: Coach, faculty member, politician. In each of these he shines. This year, Mr. Christian reached the pinnacle of his coaching career by receiving the honor of being named by the St. Louis Coach's Association as "Coach of the Year."

"This is the biggest thrill of my life," said Coach Christian. "I keep the trophy in a special place, right at the front of my house." But the trophy did not come easily for Mr. Christian. It took a lot of work and many long hours to make him Coach of the Year.

"I believe that the reason I made Coach of the Year is because we took the smallest team in the area and we won!" This was all Mr. Christian was able to say about receiving the honor.

Mr. Christian certainly deserves the award, as he has put his whole life onto the football field. Mr. Christian believes that in order to do anything correctly, you must give 100%. He certainly practices what he preaches.

The DeSmet community should be proud of having such a fine coach and man. We would like to wish Mr. Christian luck in all that he strives for.



The Spartan Defense, guided by Coach Cerneka rammed its opponents ferociously. This super defensive unit was led by Jim McHugh, Nick Baker, Tom Suntrup, Jim Baxendale and strengthened by Mike Sullivan, Ken Klein, John Vorbeck, Kevin Welsh, and Mark Daniels.

SOME SPARTAN HIGHLIGHTS
Riverview: A 75 yd. run by Ken Klein.
C.B.C.: Tim Hornof rushing for 115 yds.

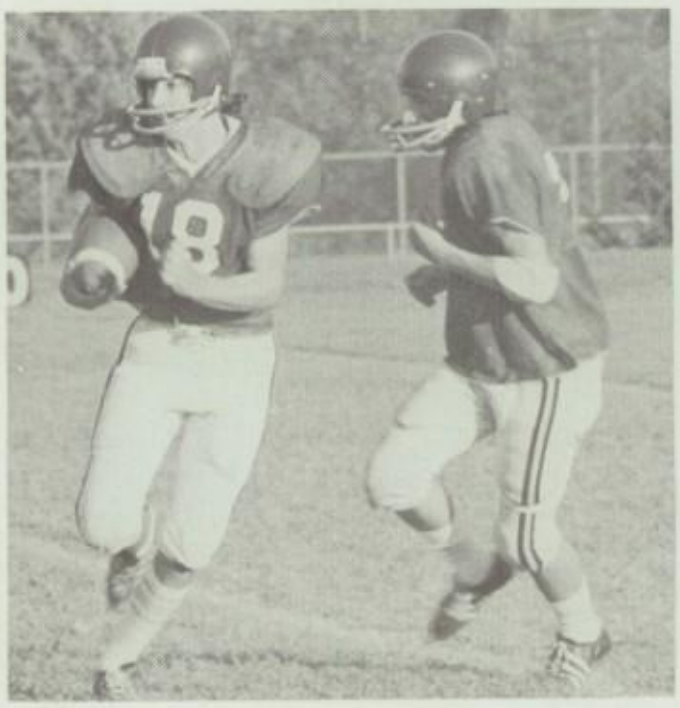
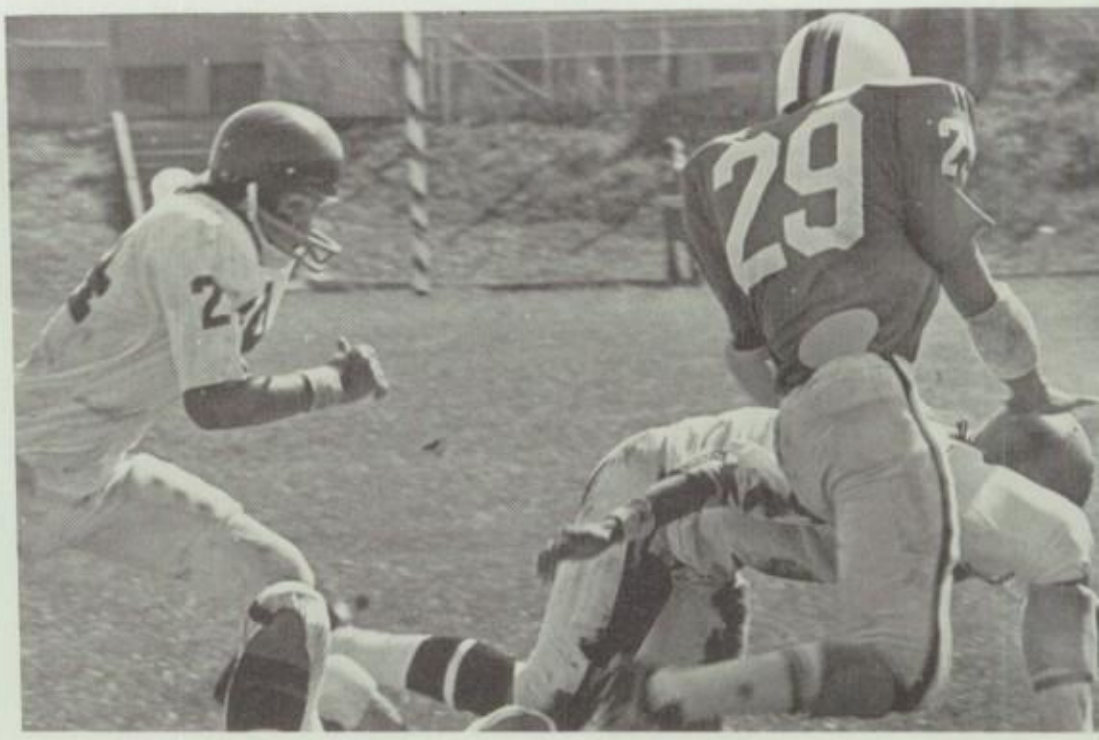
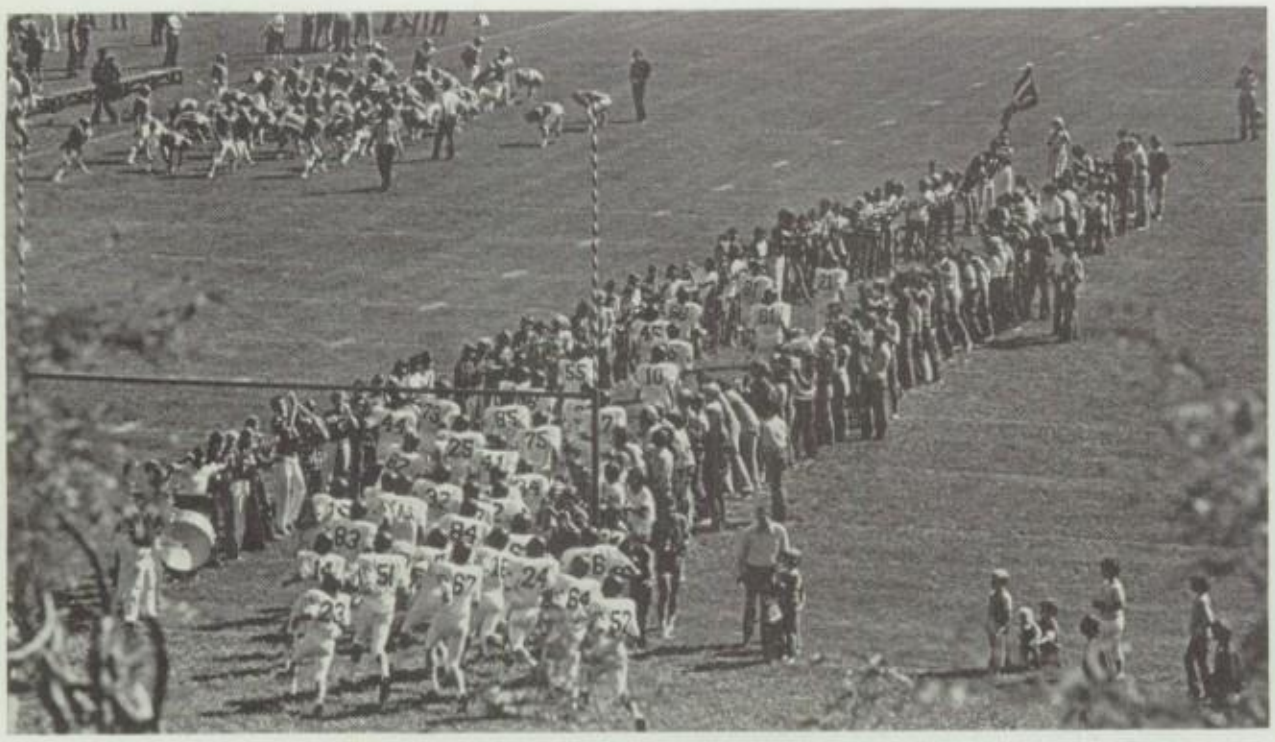
1975 State Finalists

1975 Missouri State Champions







Everyone was aware of the Dirty Thirty. From Collinsville to Ellisville and back again, the Spartans were on the mind of every person. Names like Baker, Sullivan, Hornof, Shaffrey, and the rest of the 30 rang in the ears of the populace.

From Bi-State Champions to the first defeat of our school over the Riverview Rams to the defensive victory over the Ladue Rams, the St. Louis area watched this team push its way to the State Championship game.

All eyes were on us as we went to Joplin one rainy morning. Could the team do it one more time?

On To Joplin!

On the Missouri Southern Astro-turf field, the Spartan team finally went through the ceremonies of the last block in a year that has been filled with memories. The field was wet, but certainly not in bad shape. The game began suddenly and throughout most of the first half, it was a defensive game. The score at the end of the half was a bleak 14-0.

During the early part of the third quarter the team had moments when they seemed on the verge of being successful in their efforts, but the offensive unit was stalled by the defense of the Bears. A safety in this quarter made the score 16-0.

Jimmy Klein lofted a 50 yd. pass to John Schwendeman from the double pass set and we were on the move. Early in the fourth quarter the Spartans struck on a quick pitch to Capellupo and when we converted the 2 points, we were back in the game.

From then on the Spartans fought like dogs to get at the Bears, but time ran out and the season was completed.

Yes It Was a Good Year!

B Football

During the grueling heat of summer practice, Coach Berns and Coach Clepper produced their first undefeated B team. Led by their spirited captains Tim Barker and Jim Herrmann, the team captured its Bi-State Championship.

The drive of its captains helped lead the team in its second game against Riverview, thee first time this team defeated the Rams. In the fourth game against St. Mary's, the team had to rally early in the fourth quarter to stop the Dragon's two point try and win the game. The rest of the season was uphill.

Fine performances were turned in by the whole team, but the consistant blocking of Herrmann and Tetreault aided running backs Kevin Potter and Tim Barker. A truly outstanding season.

C Team Football

The C team had an excellent season this year with a 5-1-0 record. Its victories over Althoff and Granite City were only exceeded by its excellence in both defense and offense which was so well shown in the C.B.C., S.L.U.H., and Francis Howell games. Under the guidance of Coach Hawkey, the C team enjoyed one of its best seasons ever in DeSmet's history. This freshman team has a great future, promising to provide DeSmet with an experienced B team for 1977.

B Soccer

The B Soccer team was under the direction of Coach DiBlasi for the first time this season, and he proved to be our most valuable asset. The B team was led by sophomore captains Matt Delkeskamp and Greg Waters. The team was composed of about eight starting sophomores, and Tom Groark and Bill Rosner were the leading freshmen. With all the returning freshmen next year, the team has great expectations. B team's record was 9 wins, 8 losses, and 1 tie. The highlight of the season was a 4-2 victory over S.L.U.H.

Varsity Cross-Country

DeSmet's Varsity Cross-Country team faced a tough schedule this year. Its freshman, sophomore, junior and senior runners sped to a 4-2 season tally. The team and its five returned lettermen Jim Graf, Greg Zielinski, Tom Graf, Bill Rebholz and Perez Maxwell also ran in the Hazelwood Invitational, finishing 9th out of 25; and in the Beaumont Invitational finishing 9th out of 26. In the Metro Meet, DeSmet was 3rd out of 15 teams, and finished the State Qualifying Meet 6th out of 12 teams.

This was the finest sophomore team in the DeSmet Cross-Country history. In competition the team won five and lost none, took second place in the Hazlewood, Prep North and DuBourg Invitationals, and third place in the Metro Meet. Jim Pyle, Randy Jotte, Tim Leahy, Brad Dillion, Eric Smoot, Bob Podry, and Ray Geiger were the top runners, and had help from Mike Blanke, Gerard Millman, Frank Rebholz, Terry Schulte, Tim Lischwe, Al Morgenthaler, Ed Bussmann, Tim Steiner, and Jim Bandfield.

C Cross-Country

The DeSmet C Cross-Country team finished the year with a promising 3-4 tally. This young team participated in two invitational meets. In the Prep North Invitational, our team of runners finished 3rd out of 10 teams, and in the Hazelwood Invitational, we ended 12th out of 21 teams. This team of freshmen stole the Bi-State meet, defeating S.L.U.H. and C.B.C. 27-51-52. Fr. Passarelli worked long hours in wielding this team to be one of the best in the area.

Varsity Basketball

Led by seniors Brian Malcolm, Dave Heilferty, John Bick, junior guard Mark Alcorn, and sophomore center Mark Dressler, our Spartan roundballers used hard work and determination to progress all the way to the State finals.

This team has no individual super scorer, and yet the sparkling play of these men, supported by Hornof, Klein, Schreiber, Stewart and others enabled the Spartans to cap a tremendous season.

This was a season which Coach Grawer did not believe could ever come about. But through their precision play and never ending teamwork, the 1975-76 Spartan Varsity Basketball team forged a deep impression on all the basketball fans in the area.

Our 24-4 season marked the greatest Spartan B-Ball record ever, along with its first outright Bi-State championship, second place finishes in the DeSmet and Normandy Tourneys, and a first place finish in the DuBourg Tournament.

B Basketball

The DeSmet B team was the Bi-State conference champion for the sixth consecutive year. Coach Dale Burgman described the schedule as very tough. The Spartans scored 1,191 points, and achieved a 16-5 record.

Playing center, Tom Donovan broke the rebound record and averaged 15 points per game. Tom Heilferty and John Culliton completed the front line, while Tony Darby and Curt Conyears balanced the team as guards, making for a great team, and an outstanding season.

C Basketball

The C team under the guidance of Coach Gerry Boehm, turned in an impressive final 15-2 record. Our C team has the distinguished honor of not only clinching the Bi-State championship, but also of defeating every team in the Bi-State twice this season.

The C team participated in two tournaments this year, winning the Vianney tournament in the beginning of the season but losing to Hanley at the end of the season in a thrilling game by one point.

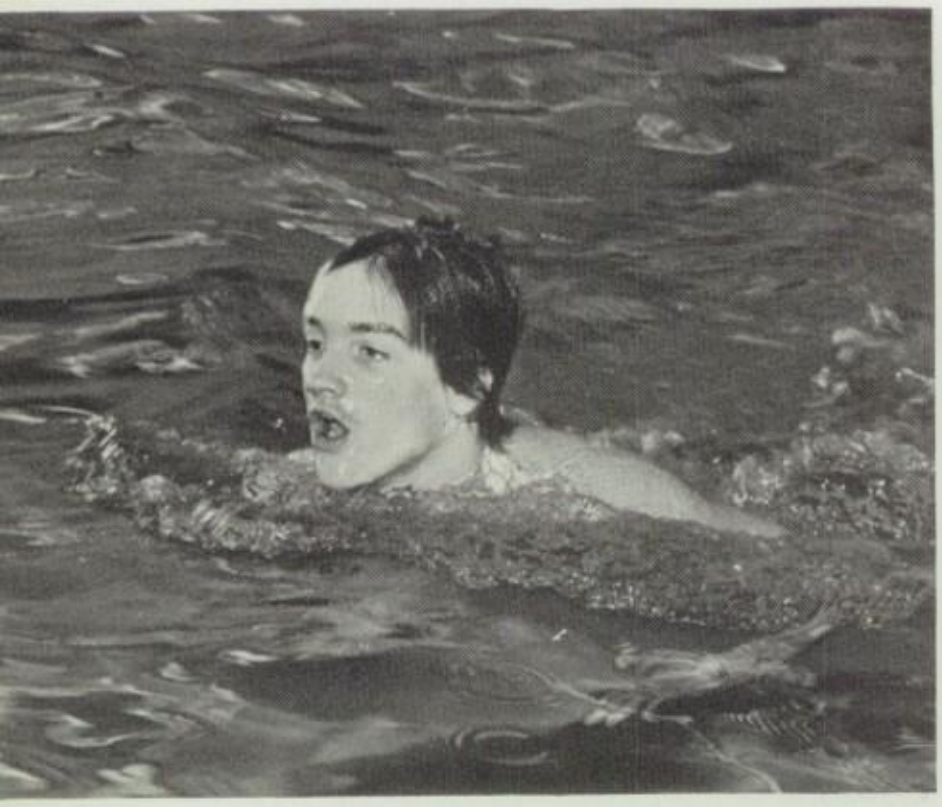
The Spartan Ice Men capped a very successful 25-1 season by defeating Ladue 3-1 for the championship and the Sidney Soloman Trophy. Besides having the second best defensive corps in the league, the forwards showed DeSmet's scoring punch by setting a new high school record of 211 goals in one season. For the fourth straight season, the Spartans won the Jesuit Cup by beating S.L.U.H. 6-1. Led by the scoring of Captain Greg Zielinski, Tim Murch, Brian Dean, Chris Wray, John Faron and Doug Kriegshauser, the hockey team had its most successful season ever.

Coach Ron Bick spent many appreciated hours on this team. Thank you!

Swimming



They entered the water last year as an inexperienced, unprepared and poorly supported team—and they lost. One year later, they were an inexperienced, unprepared and poorly supported team—but they won! In one year, they had become a strong competitor in the area. In one year they had gained a spirit strong enough to make them the most improved team of the year with 11 wins and 7 losses. They were the DeSmet Swim Team of 1975-76.

Front Row: G. Heitmann, R. Hahn, J. Boveri, S. Welsh, D. Barrett, M. Metzler, R. Stanley, R. Meany. Middle Row: M. Cardiff, T. Kramer, P. Lynch, D. Erker, B. Baker, M. O'Toole, D. Vatterott. C Team Wrestling

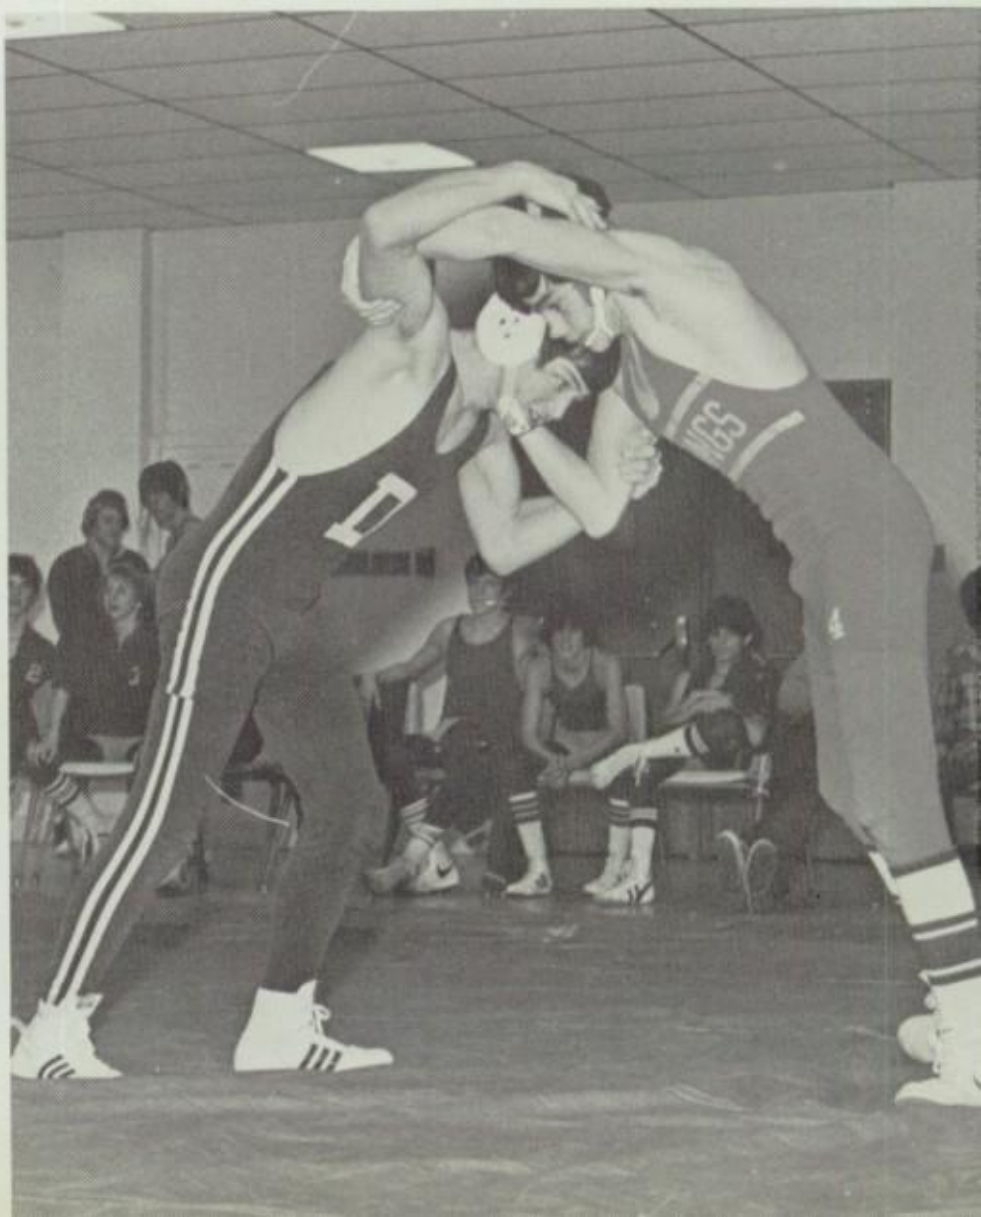
The Freshman DeSmet Wrestling Team finished its year with an impressive 4-6-0 season tally. With the direction of Coach Hawkey, this inexperienced team grappled against experienced wrestlers of the Fox district and other area schools.

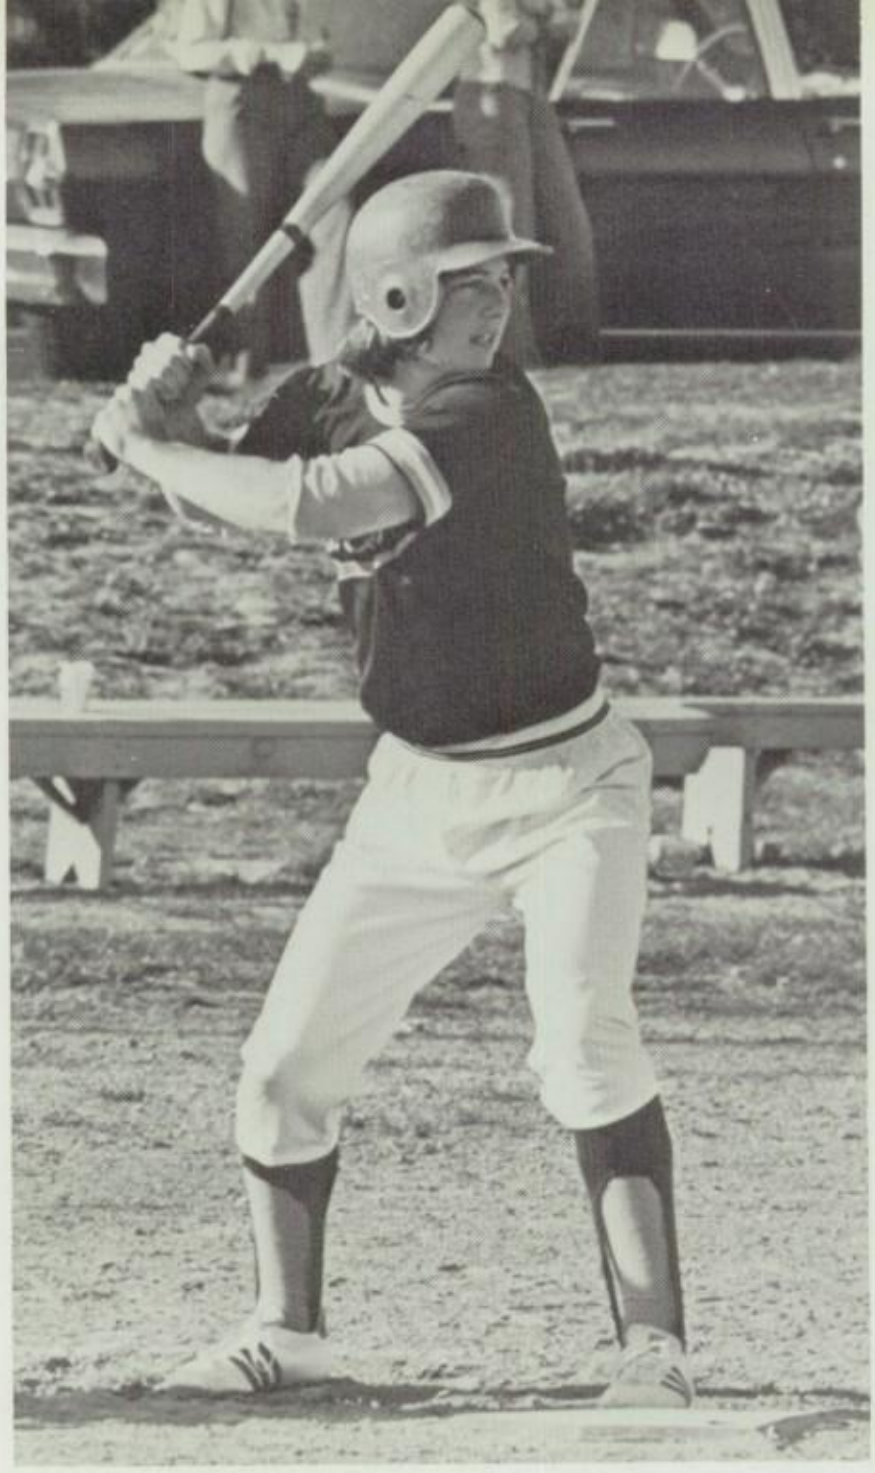
The C team participated in two tournaments this season. In the Parkway West Tournament, Joe Raymond took first place, and in the Crestview Tournament, Angelo George and Tom Reid placed first. Congratulations to all!

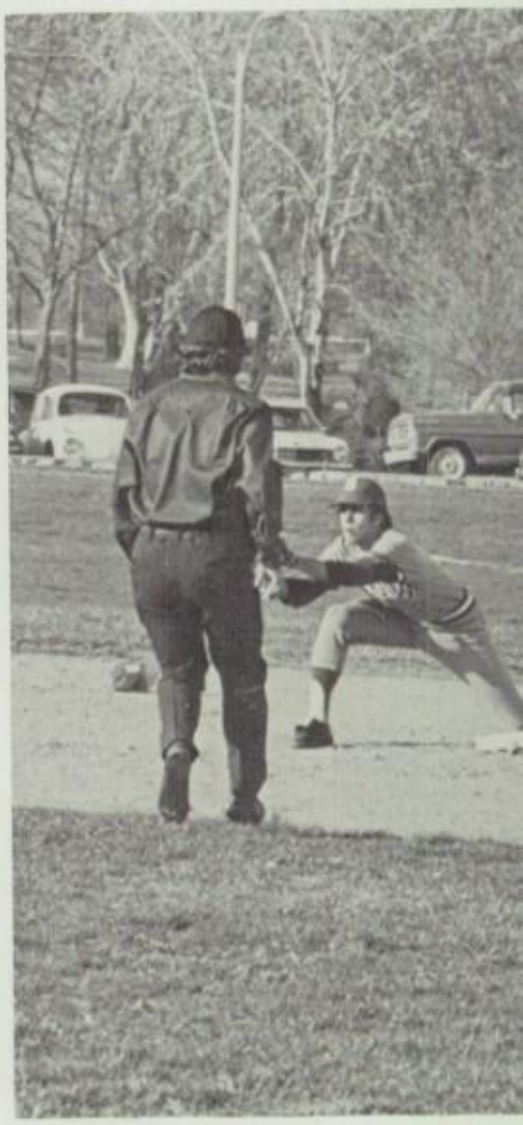


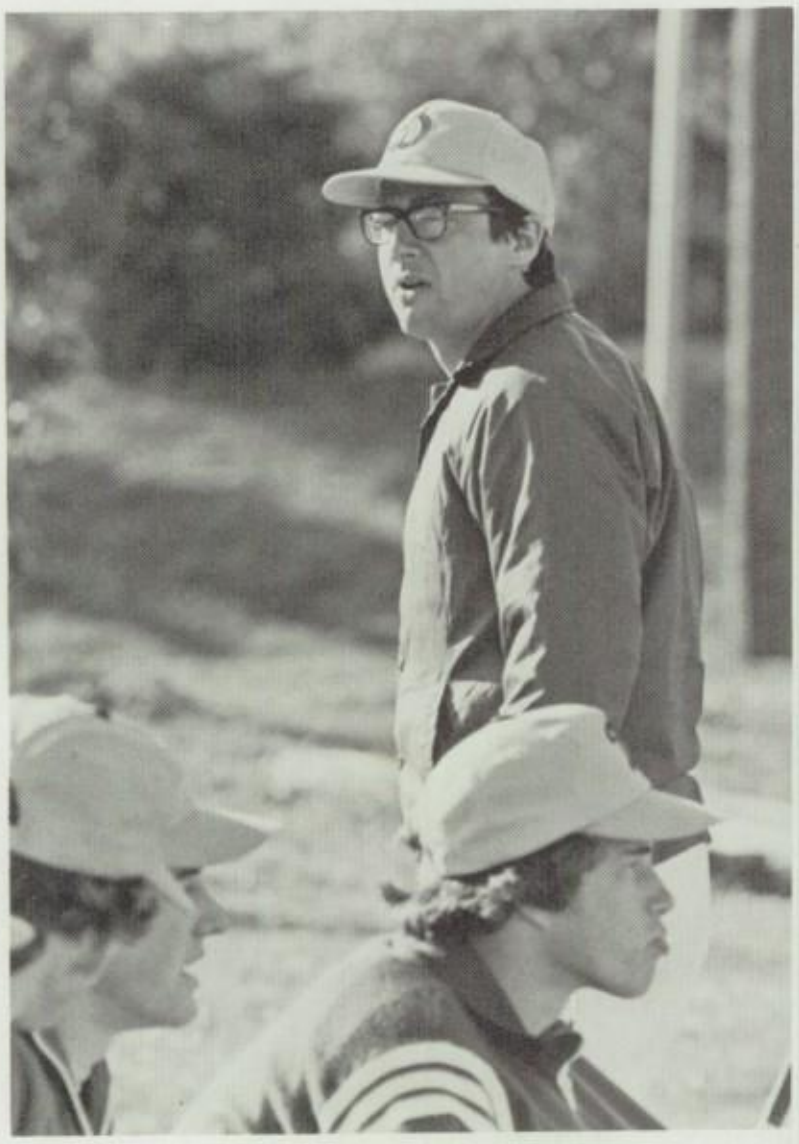
Varsity Baseball 76

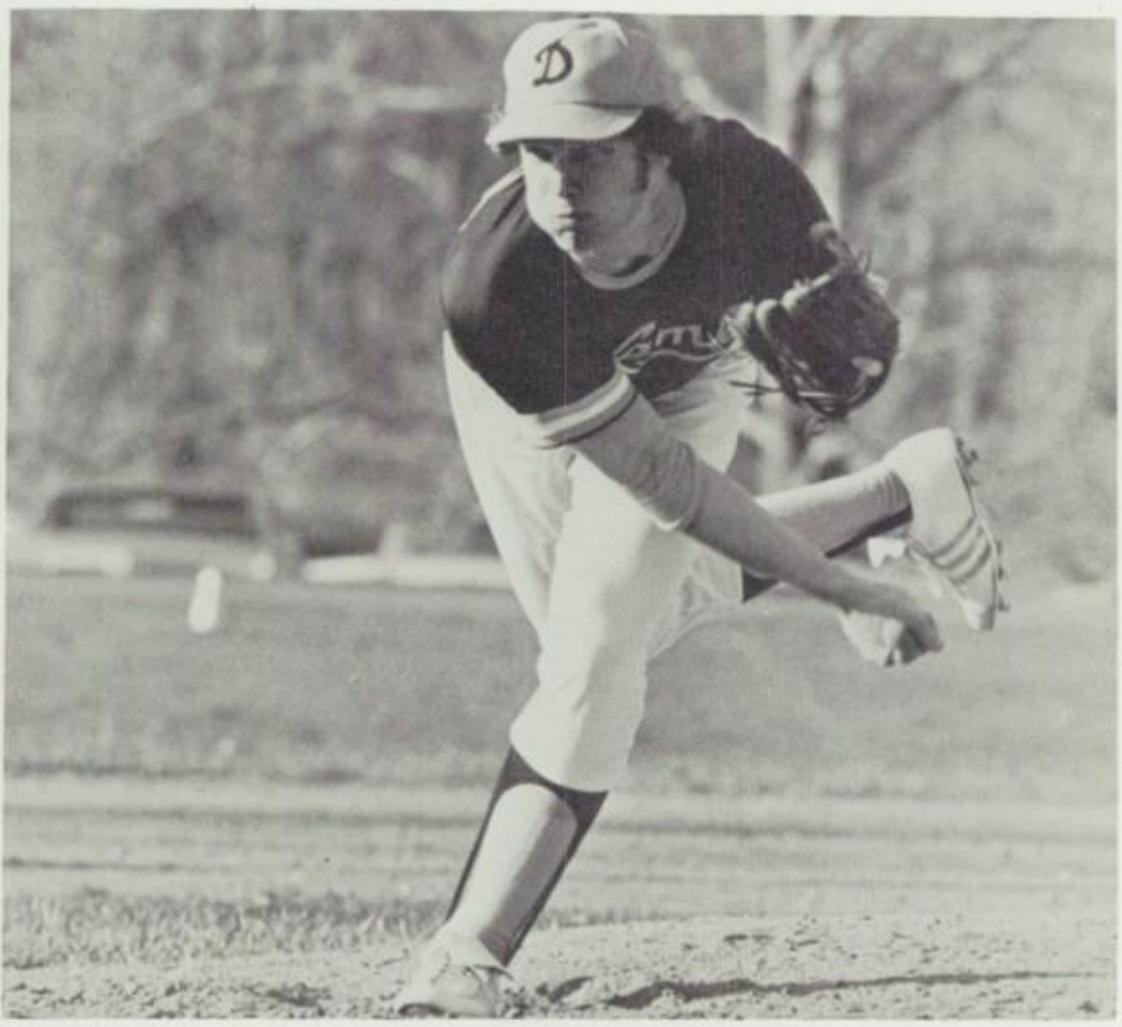
Varsity Baseball

The young Varsity Baseball team despite a record of 5-12 enjoyed a fruitful season. Losing only 3 seniors while retaining 16 lettermen the team is eagerly awaiting the challenges facing them in the near future. Coach Hasser should be congratulated for the gift of time, patience, and perseverance he willfully donated towards the common cause. All who were involved in any way, shape, or form should rightfully take pride in their accomplishments.



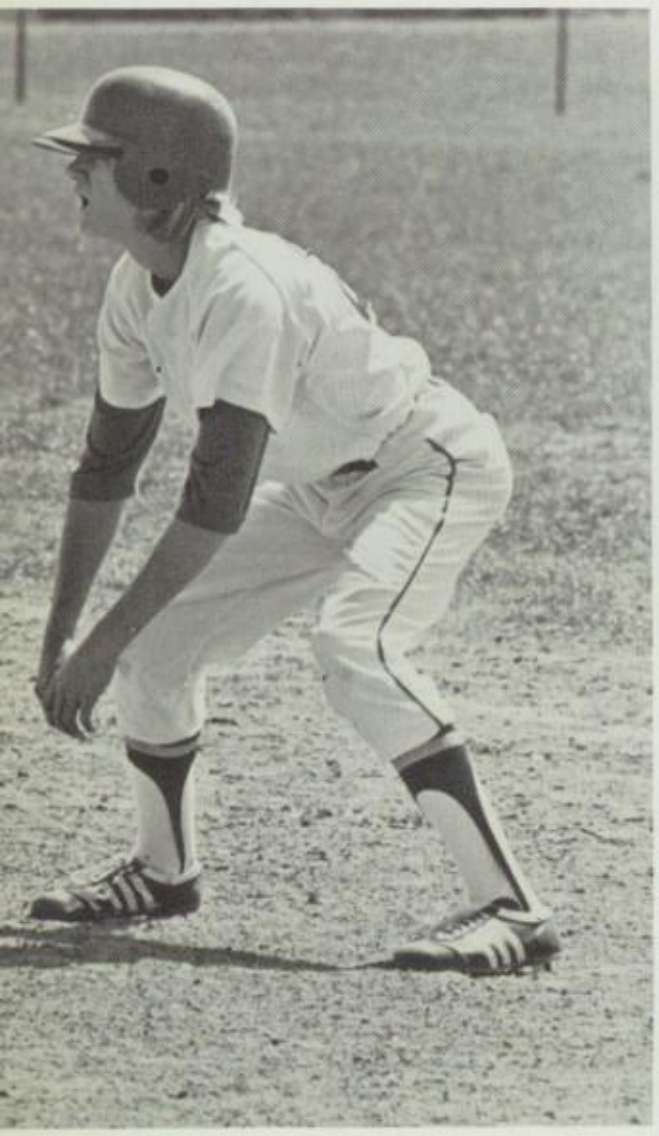


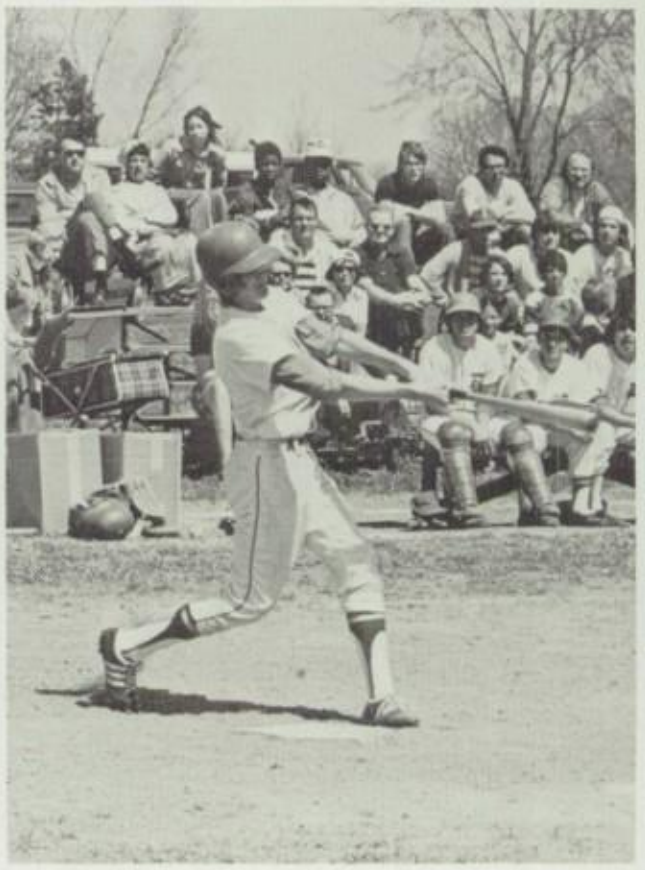




JV Baseball

The JV Baseball team, under the direction of Coach Frank Hawkey, was composed of freshmen playing a B team schedule. They began the season with a tough loss to Hazelwood, but this was reversed with a 6 game winning streak. They compiled 66 runs to a tough 44, with an average of 2.5 errors per game. These Spartans ended their season with a rocky landing of 8-8, a batting average of .301 and a pitching era of 4.751. This team shows great potential and should be proud of itself.





Kneeling: B. Burrows, B. McKeon, J. Tainter, J. Parato, C. Wray, M. Balota. tanding: K. Klump, T. Bruns, T. Mouldon, C. Re, P. Lynch, M. Haake, B. Maender, B. Davis, T. Goedeker, C. Nisbet, M. Brandon, D. Macke, Coach Hawkey, T. Groark.

The 1975-76 Junior Varsity Track team compiled a 7-3 record this year. Under the supervision of Coaches Vitello and Cerneka, these trackmen sprinted, jogged and leaped their way to a fine season. The JV'ers had much talent this year. Fine performances were always given by Tim McGlaughlin, Bill Klem, Chris Herbster, and Dave Hartman. Other standouts and promising varsity members are Randy Jotte, Tom Elliot, John Macke, Tim Mitchell, Jerry Steuber, Tom Gaus, Mike Jezewak, Jim Herrman, and Mark Bromschwig.

Junior Varsity Tennis

The JV Tennis team under the guidance of Coach Fr. Zupez, S.J. exemplified the perfect team, comradeship and good sportsmanship. They had a ball every game.

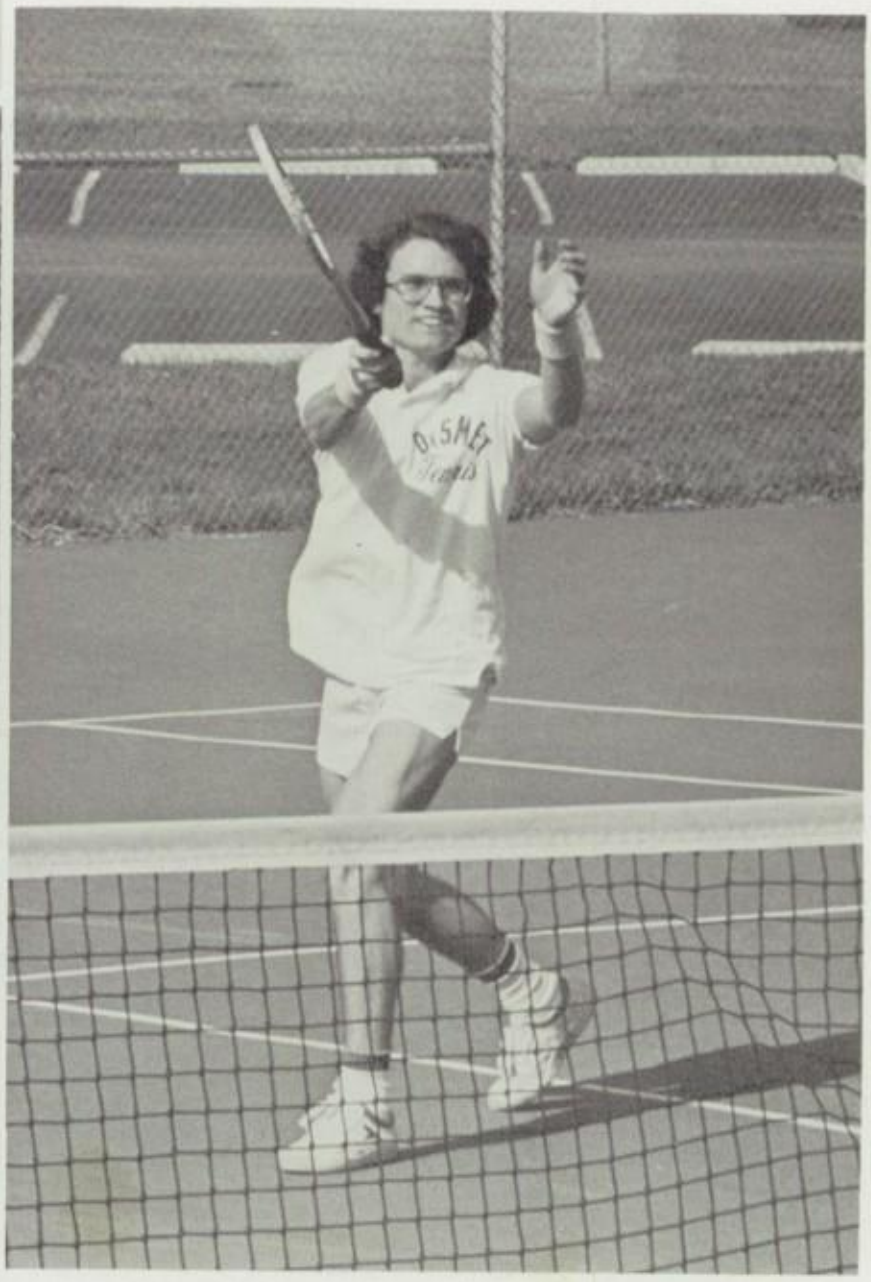
Varsity Tennis

The undefeated Varsity Tennis Team participated in the District Tennis Tournament this year and soundly defeated all the other 20 schools. Russ Muenz, our scholar athLete, won the singles crown and Paul Huck was fourth among 60 players. John Buell and Jim Lang were doubles finalists, and along with Russ Muenz qualified for the State Tournament involving the top 16 singles players and doubles teams from the state. DeSmet's final entry of Mike Schlafly and Jim Buell won its way to the quarterfinals.



Golf

Our golf team this year, although being very young in competition, had a very fine season of 8-4-1 in dual matches. This young team set a new school record under the direction of Coach Fr. Keene, S.J. at Norwood Hills Country Club: a team score of 226 strokes/9 holes.

Freshmen and sophomores comprised 7 of the 10 members of the team. We are looking forward to more years of fine golfing at DeSmet.

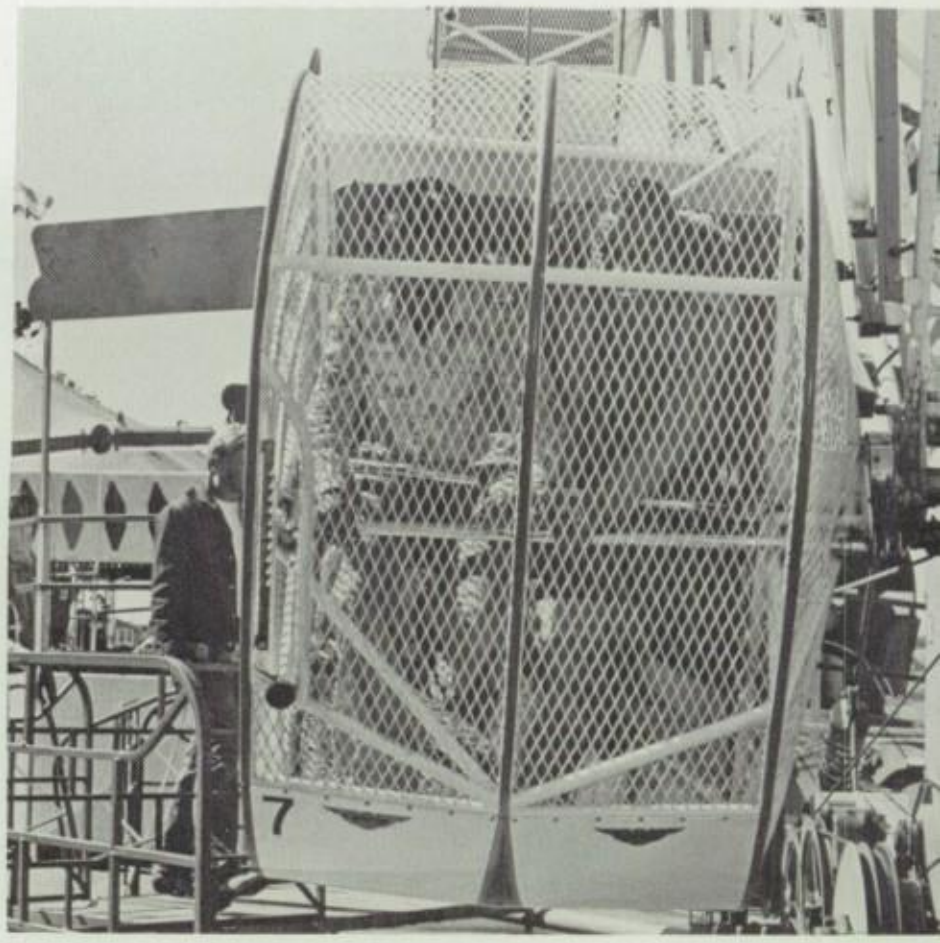
DeSmet's annual Carnival was held Oct. 3 and 4. The money earned from the Carnival has become the main funding source for all activities throughout the school year.

Every year, even before school begins, preparations for the Carnival are under way. Students march through the St. Louis area trying to find one lucky President of the DeSmet Booster Club. This search provides the student body with hours of fun and frolic. The rides and booths arrive the Thursday before, and on Friday, grade school students from St. Rose's come to enjoy free rides and clown's smiles. The children's play, this year, "My Client Curly," entertains the young at heart while the dances provide fast enjoyment for the more lively.

The family night buffet dinner sponsored by the Mother's Club provides a chance for DeSmet families to get together at school and socialize. The Coffee House provides live, friendly entertainment for those who need time to relax.



ITALIAN SCOOTER

Chess Club

Under the direction of Br. John, the Chess Club has been reorganized and for the first year, DeSmet held the DeSmet Chess Tournament. DeSmet won second place, narrowly defeating S.L.U.H. for that place. The five regular pawn pushers are Bill Wickenhauser, Tom Hebrank, Matt Baebler, Tony Monachello, and Juan Coronado. The team is young, but outstanding nonetheless.

Cheerleaders

The cheerleaders once again succeeded in accomplishing their formidable task of controlling the crowds and generating school spirit at sporadically attended football and basketball games.

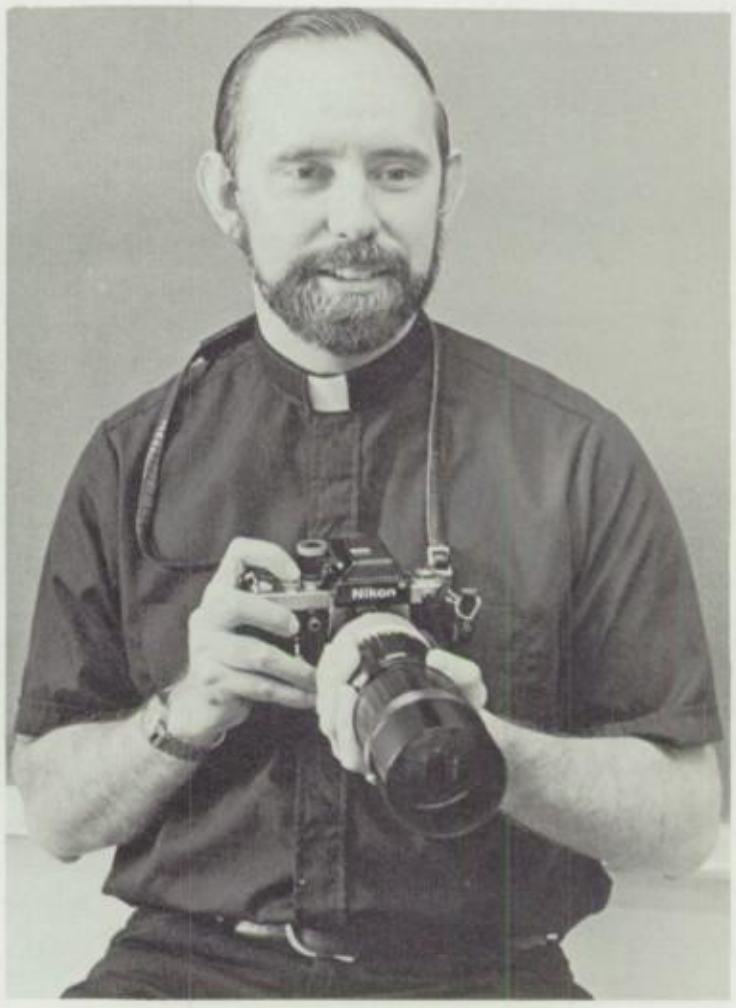
The introduction of the Maroon Trunk by the squad provided an extra spark during the basketball season. It is still safe to say that there are very few schools capable of out-cheering DeSmet in victory or in defeat. This is largely due to the efforts of the people who gave selflessly of their time to lead DeSmet to one of its most successful athletic years ever.

MIRROR

The Mirror was comprised of a brand-new staff this year, headed by Senior Editor-in-Chief Thomas J. Bell. Also on the editorial staff were Joe Grossman, Vince Hashman, John Eise, Mike Wiseman and Steve Steinhubl. These men, assisted by a small and trustworthy stable of contributors, turned out no less than eight issues of our school newspaper.

Among the areas of concern covered were confidentiality in counseling, treatment of marijuana users, and the drinking problem. Also covered were athletic achievements, Dionysian performances, the 1975 yearbook and other events of importance.

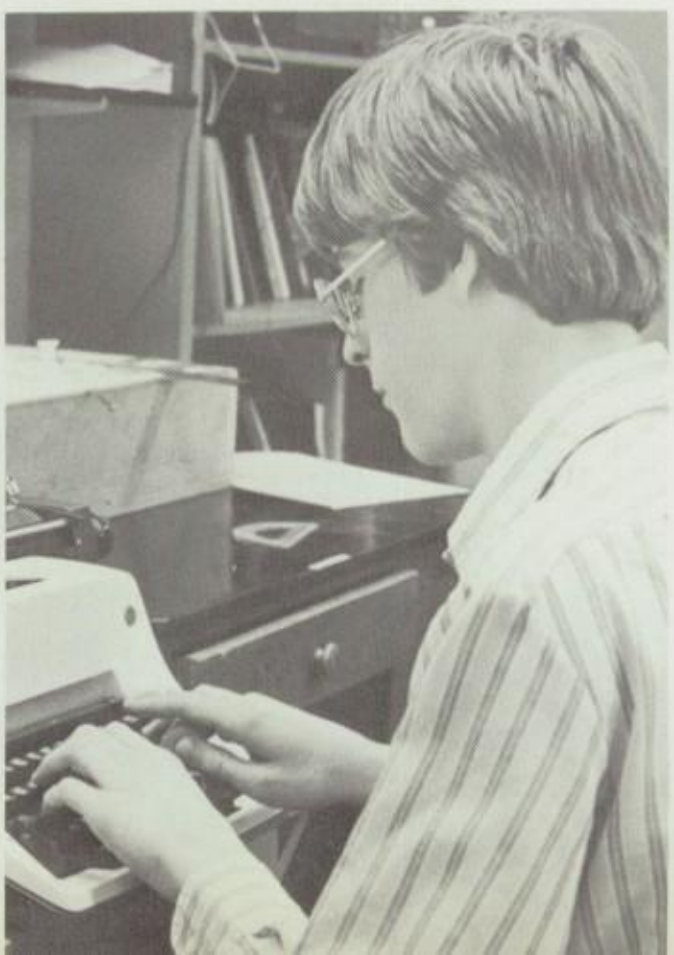
Photo Service

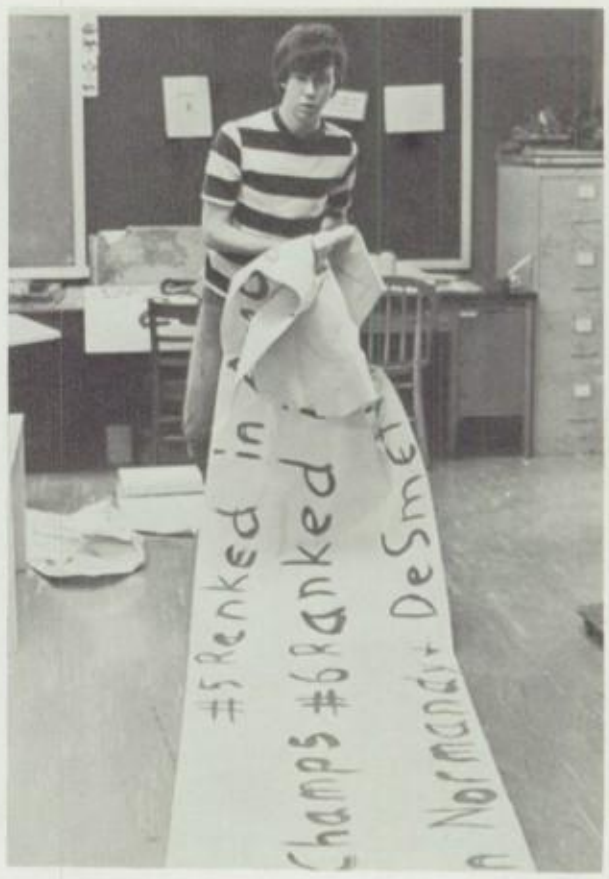


DeSmet's Photo Service provides photo, darkroom and printing service for all athletic, dramatic and general events throughout our school year for the yearbook, newspaper, and interested members of our community. It is an invaluable service in recording for our posterity the memories of our activities. Don and Bob Hutton, Bud Corrubia, Mike Nogalski, Rick Rezabek and Tom Dresner and many others have all given us a great service.

Yearbook

The yearbook staff this year, under the direction of Mr. Matthews, included as its editors Mike Bridge, John White, Mike Gibbons and Tim Houlihan. This core worked long but enjoyable hours with the contributions of the many more students and the pictures of the faithful Photo Service to compile this book.





The DeSmet Poster Club is a service organization in which students of all classes participate to advertise athletic, dramatic, and any and all events of the DeSmet community. These posters bolster our spirit and keep everyone interested in the school's activities.

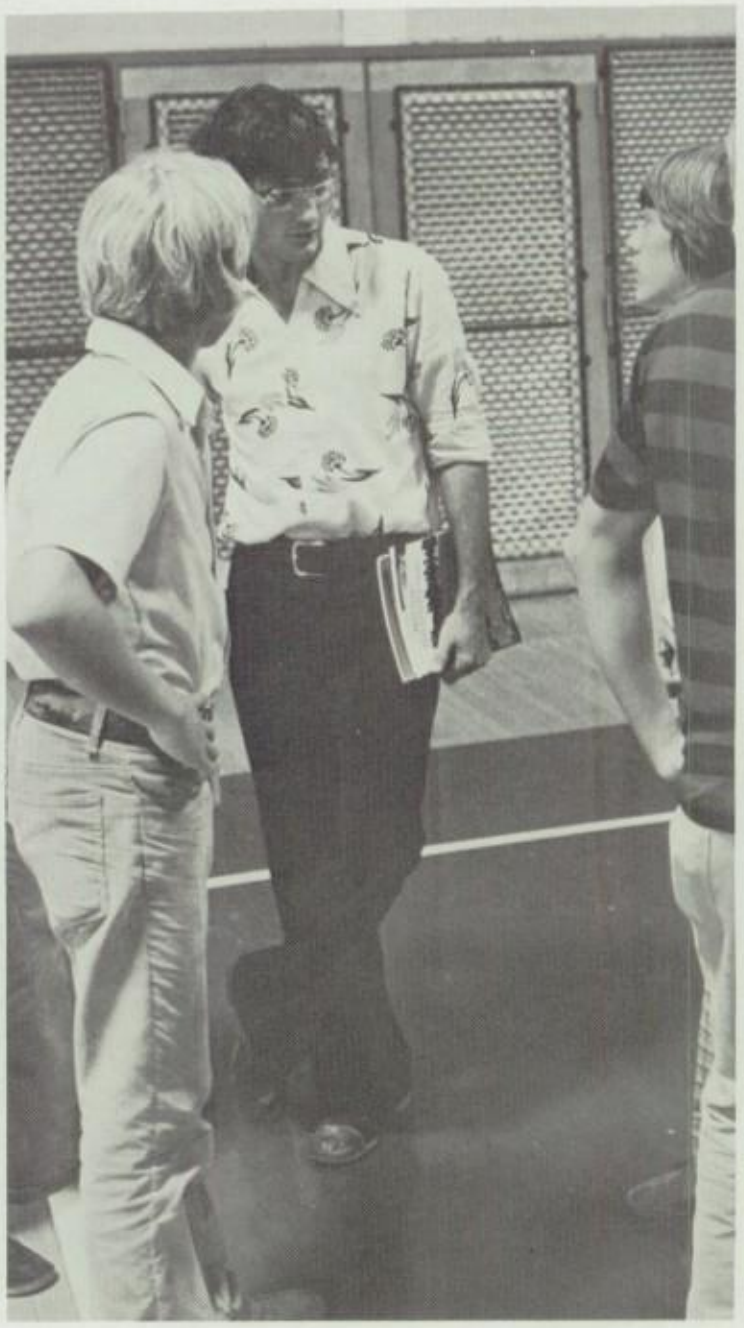
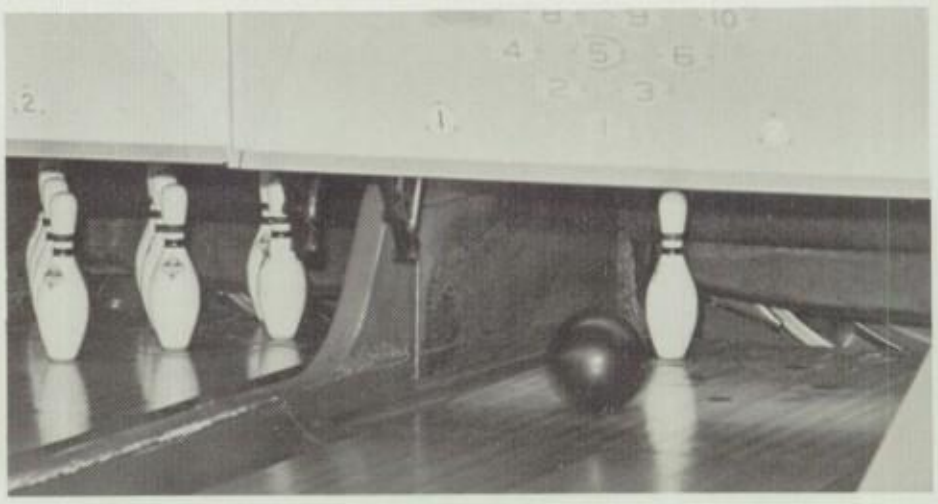
Scholar Quiz

Six of DeSmet's seniors distinguished themselves in competition against students from Oakville and Granite City East on the January 18, 1976 telecast of Scholar Quiz. Though Oakville won the contest, DeSmet stands proud of its own fine scholars.



Bowling

Once again this year, Fr. Van Del has coordinated the intramural bowling and the Bowling Club. Every Friday and Saturday, these boys have bowled, producing an average this year much higher than last year's.



Left to Right: M. Davenport, E. Mitchell, S. Klopfer, M. Ratterman, D. Diel, J. Coronado, T. Allman, Fr. Van Del S.J.

Christmas Activities

Each year at Christmas time, our school assumes one of its Christian responsibilities. Our students and faculty collect canned food and toys for the poor and needy of our city. It could be rather passive and unconcerned to just give these physical things and leave it at that, so our students go to the community, make sure that Santa Claus visits them and do what they can to make sure that the love and spirit of the coming of the Lord is felt.

Christmas Dance

This year's Christmas Dance, The Snow Ball, was held on Jan. 3. Mr. Michael Garanzini S.J. and his workers Ed Griesidiek, Dave Smith, Pete Thomas, Bob Trout, Frank Fischer and many others joined forces to produce one of the most enjoyable dances for a semester break yet. The Christmas trees and flowers, beautiful dresses and music by March Hare put everyone in the holiday spirit.

Final Vows

Fr. Apel, Fr. Bergin, and Fr. Holmes pronounced their final vows in the Society of Jesus at a Mass held in their honor. Their vows, received by the Missouri Provincial Fr. Leo Weber, S.J., mark the final incorporation of the vow men into the Society. On hand to congratulate them at this joyous service faculty, students, friends and family of the vow men.

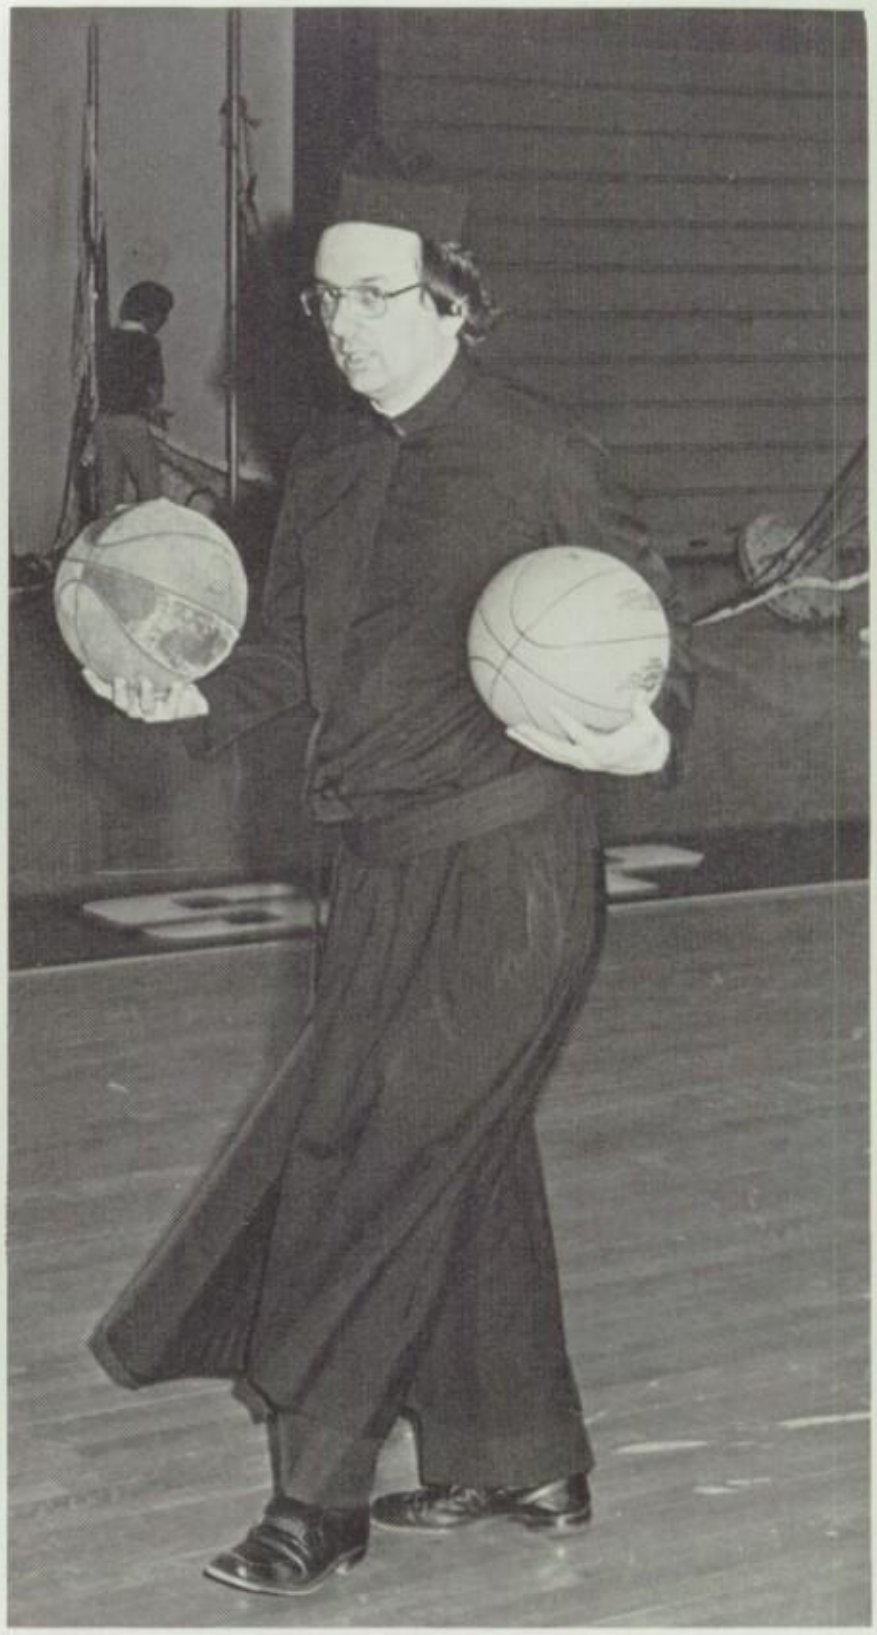
Senior Dance

Mission Week



Once a year, every year, Mission Week is held at DeSmet to collect money for the Jesuit missions of the Missouri Province in the Republic of Honduras, Belize and St. Stephen's in Wyoming.

The week's activities include events such as the underclassmen's fuzz growing contest, the upperclassmen's beard growing contest, the M and M contest and most popular of all, Ugly Man contest.

Friday, during free period, the main events take place. The Twinkie stuffing contest, bubble gum chewing contest and many more were held in the gym, while the kite flying contest, tug-of-war, tricycle race, and roller skating race were held outside. The week is made complete on Saturday with the Car Rally and dance.

It is a week of fun, but all done with the idea of helping others. After all, isn't that what it is all about?

This year's Yearbook Staff attempted to express metanoia. Metanoia refers to a change of heart from selfish concerns to complete generosity to God and His Kingdom. For our principles and purposes, we wished to show the maturing process which takes place within our school. We feel this is greatly represented by our seniors and their Senior Projects.

Moreover, on this last page, we wish to present a final note to bring together the abstract theme of a year's worth of pictures into a package of dedication to our senior class.
